It's obviously out of date, but I pasted this in (it's from a couple years ago). This was the generic one the agency had on the website, or distributed for conferences/events/press.

They already know what I do here, so this oughta give them whatever they're looking for. Thanks.

Christian L. Soura is Pennsylvania's Secretary of Administration. As a member of Governor Edward G. Rendell's cabinet, Mr. Soura leads the Governor's Office of Administration, a 650-person organization that provides information technology, human resource, records management, travel, and continuity of government services to an enterprise with nearly 80,000 employees and over \$60 billion in annual expenditures.

Soura most recently served as Director of Strategic Services, where he was responsible for the Commonwealth's internal consulting and cost-savings efforts. He also led the Office of Performance Improvement in the Governor's Office of the Budget. Earlier, his efforts as Senior Advisor for Recovery Implementation earned him the Governor's Award for Excellence. Soura originally joined the Commonwealth in June 2001 as a budget analyst for the Senate Appropriations Committee.

Secretary Soura is the Chairman of the Board of Trustees of the Pennsylvania Employee Benefits Trust Fund and a member of the Ben Franklin Technology Development Authority's board. He also serves on the Public Administration Advisory Committee and the Board of Directors of The Renaissance Fund at Penn State.

Prior to joining the Rendell Administration, Soura worked in higher education and was a technology contractor for a Pennsylvania-based mutual fund company. He holds master's degrees in political science from the University of Illinois and public administration from Penn State, along with a graduate certificate in public budgeting and financial management.
