What is the password for the 2021 Sacvenger hunt?

If you are an Ultimate Outsider, that info should have been in the enewsletter you received.

We do the Ultimate Outsider but we haven't finished as we have 6 more parks to go. We did the scavenger hunt all last year and the 2021 came up on our app but we can't get in because of the password.

Correct. Only people who have completed the Ultimate Outsider will receive the password to join the 2021 game.

So why could anyone do it last year?

What is the point of a scavenger hunt if people can't do when visiting the State Parks. Doesn't make sense.

We still have the one from last year up for the public to do. If we decide to make this one public in the future, we will be sure to announce it!

It would be better if you started it as an Ultimate Outsider though. Because if you're an Ultimate Outsider, you earn prizes the more missions you complete.

It seems to me you would want to encourage people to visit the parks. The app was one of the reasons we did it last year. I'm shocked that this is not available to all. Not good public relations for the State Parks for sure. I have been a big advocate for the State Parks in the past. This leaves a bad taste in my mouth. Will not be an advocate going forward for sure.
