Are you on Instagram? If so, start following our new InstaRanger Feature! Each week we'll introduce you to a park ranger who will take over posting for us on our Instagram feed. This week's feature InstaRanger is Mark Davies, Manager at Cheraw State Park. Mark says: "I have been the park manager at Cheraw for the past 2 ½ years. I love to take pictures of the park in the early morning and late afternoon when the light is amazing and the scene is one that a normal park visitor might never notice. Enjoy." Don't miss Mark's exclusive photos on our Instagram at SCSTATEPARKS.

Dorien Morin - van Dam What a great idea! :)
