Can I get these in the signature pile, please? I guess the one letter should be on letterhead, if that works.  
Thanks.

Christian,

Here are the documents we need signed, annually from the Governor, for the CBCAP (Community Based Child Abuse Prevention) grant. This grant is the one that uses the \$100,000 in state money already in the budget. We are hoping to submit the completed application on Thursday, May 30<sup>th</sup>. I will send you a copy for your files when completed. Please let me know if you have any questions.

Thanks,  
Sue

Sue,  
Here are the CBCAP documents that we need to have the Governor's Office review and sign for us.  
Thanks,
