Subject: Chronicle of Higher Education: Tucker Hipps Act questions

Chaney,

My name is Fernanda Zamudio-Suarez and I'm a reporter with the Chronicle of Higher Education.

I have a few questions about the Tucker Hipps Transparency Act approved by state lawmakers yesterday.

I understand the bill has moved to Gov. Haley's desk for a signature. What is the expected timeline for when she will sign or veto the bill?

Is this a bill that can become law without Gov. Haley's signature?

If you have anything to add about this legislation that would also be appreciated.

Best,
Fernanda Zamudio-Suarez
