Thanks for the note y'all.

Unfortunately, there's not going to be room for cameras at the residence tomorrow.

News19 would like to have a camera at the Governor's mansion, Tuesday, as the Governor delivers the GOP response to the State of the Union address.

We would like to record the speech, and afterwards-- get an interview with the Governor's wrapping it all.

Will that be permitted?

If so, how early can we get in to set up?

Thank you,
Sharranda
