**Subject:** Repaving Estates Drive, Walterboro, SC

Dear Governor Haley,

I just want to say thank you for helping us get Estates Drive repaved. It certainly has been long overdue. Letters and emails finally paid off! Lane Construction workers dealt with the horrific heat last week as they completed the job.

Now, it is a smooth drive pulling out of my driveway!

Thanks again.

Regards,  
Ann Iademarco

Dear Governor Haley,

If this isn't a bunch of bureaucratic crap! Put us off yet for another year!!!

I feel that Mr. Black didn't expect me to follow up & pursue my issue with our road. But I certainly am and I am not going to stop until someone tells me the truth once and for all. I feel that I have been lied to and been misled by Mr. Black. I DO NOT WANT potholes filled in...I WANT the road REPAVED!! And do not pass me over to the Colleton Maintenance Office as they will just tell me it's a state road and they don't handle it.

Please help out Governor!

Ms. Iademarco,

The letting date for this project has been pushed back to September of this year. Based on this revised timeline resurfacing will likely take place next spring / summer. If there are any safety issues such as potholes that need to be addressed in the interim please feel free to contact our Colleton Maintenance Office at 843 538-8031.

Morning Mr. Black,

It has been three months since I received any correspondence from you in reference to the roads being resurfaced. As you stated in your email below, you would provide me with a better estimated of the month. By now, you should have dates set up for this. Please let me know soon, as the residents residing on Estates Drive are anxious to have their road repaved.

Thank you,  
Ann Iademarco

Hello Mr. Black,

Thank you. Yes, please send me the updates when you find out the months each road will be surfaced.

Regards,  
Ann

Ms. Iademarco,  
The contract is scheduled for letting later this summer. There is a 30 day period once the bids are collected for an official award. A preconstruction conference with the contractor generally takes place within a month of the award. Schedules are presented during this meeting and I could provide you a better estimate of what month each road will be resurfaced.

Thanks

Dear Mr. Black,

Thank you for your quick response to my long awaited answer. I will be looking forward to our repaved Estates Drive sometime between July/August.

Again, appreciate the update.

Regards,  
Ann Iademarco

Ms. Iademarco,  
The Governor's office asked that I provide you with an update on Estate Drive, S-15-649. This road was submitted as part of our 2016 non-federal aid resurfacing that was submitted to Columbia last month. The contract for this work is currently scheduled for letting later this summer. Please feel free to contact me if you have any additional questions.

Message:

Hello Governor Haley,

I am at my wits end In trying to understand something. Why on earth does the Highway Dept come to smooth it over at least twice a month (Lemon Road) and we haven't had our road (Estates Drive) was scraped & prepared for tarring for 10 years ago?? Our local people tell me that Estates Drive needs to be handled by the state. No one wants to take ownership. I just want it repaved. There is this residential road because of schools nearby & so many potholes that can take no more filling day and this is THE WORST STREET in this county!

Will you please point me in the correct direction so I can finally get a solution to our problem?  
Appreciate your time and keep up the good work!

Sincerely,  
Ann Iademarco
