Mr. Symmes:

I host the radio program "Citadel GrayLine," a weekly show about The Citadel Bulldogs and other goings-on at The Citadel, The Military College of South Carolina. The show airs on stations across the Palmetto State, and is also available for free download in the iTunes Store and on Twitter.

I have a twofold request:

- 1.) Since the Governor's Mansion is located where The Citadel's original pre-Civil War partner existed, The Arsenal, we would like to record this week's "Citadel GrayLine" at a convenient spot on the grounds.
- 2.) If Gov. Haley is available for a 10-min. interview (in-person or via phone), we'd love to have her come on the show and talk about The Citadel and its role in South Carolina. If she is unavailable, I'd still like permission to record on the grounds.

If possible, I'd like to record this any time Tuesday (Nov. 24), or Wednesday morning. We don't normally record in Columbia, but the exciting events of the last few days have led me to hang out in the Capitol City-area a little longer (I'm a Lexington native).

Please feel free to contact me if you have any questions. I can be reached at 662-801-7295, jon@yall.com.

Sincerely,
JON RAWL
