Subject: Volunteers In Medicine for Bluffton/Jasper County fund raiser

>>> Katherine

>>> I have a request....

>>> As you know there is a volunteers in medicine clinic in Bluffton and supports the residents of Bluffton and all of Jasper County. There is a tour of homes planned for May 17 to benefit this worthy non profit. I was sitting with the board going over ideas of ways to increase donations, and came up with an idea of having a pre tour party on the Friday night before (May 16), invitation only and have our elected officials act as servers for the 6-8 event. I would estimate at least 100 people attending this event, and feel that it would be a great way to connect to our Bluffton base, especially in this election year.

>>> I am inviting, the local delegation of Reps Herbkersman, Newton, Sen Davis, Cong. Sanford, Sen Graham, Sen Scott, among other local officials, and hope that your calendar would permit your attendance. (and hopefully help get Cong. Sanford to attend)

>>> If there is an interest, I can fill you in on more of the details. As an fyi, if it will help, we are ONLY including elected officials, and no one that is running against who is currently in office.

>>> Thanks in advance

>>> Lisa Sulka, Mayor
