Tiffany Morris Rau Reserve America wouldn't let me cancel our Edisto reservation without paying fees. Our reservation was for a cabin on the 17th -19th. They said they only have authorization to cancel bookings through Oct. 12. They said Edisto Beach State Park shows that they will be open on the 13th. What should we do? We need to make another reservation if our cabin is unavailable. If residents are still not allowed on the island, how will this campground be open in two days?

at 23:35:07 on 10/10/2016 UTC

Debbie Powell Dolphin Barnwell State Park closed its trails because of down trees and lots of hangers the Ranger said on Sat I think it was. A lady there said no damage in camping (R V) area.
at 1:43:39 on 10/11/2016 UTC

Emily Grace Watson Flooding, power outages, trees down....it all depends on how each park handles these things. Upstate parks are bad with trees falling from simply wind and rain so add in major flooding and some parks just don't do well...
at 3:36:45 on 10/11/2016 UTC

Felicia Mazur Yes, we have reservations there next week, and would be more than happy to come down and boondock just about anywhere and help with the clean up. I think there are many of us who would do this.

Pamela Barefoot South Carolina State Parks We had a mini-rally scheduled for Oct 28-30 at HBSP but our participants are worried that it won't be open or will be plagued with mosquitoes like it was last year. Is there any way to cancel without penalty? Several have already cancelled and are having to pay.

at 14:33:19 on 10/11/2016 UTC

Pamela Barefoot Edisto has to repair the main road in, and the entire town is covered with sand with a lot of home damage. Even the residents have a hard time being allowed in. How can the campground open so early? And why do we have to pay penalties for cancelling?

at 14:35:50 on 10/11/2016 UTC

South Carolina State Parks Pamela Barefoot if you can private message us with your contact information we can have someone call you concerning this. Thank you.
