We are three months away from WCRI's 32nd Annual Issues & Research

Conference <

The two-day program highlights presentations of WCRI's latest research findings while drawing upon the diverse perspectives of highly respected workers' compensation experts and policymakers from across the country. The following are among the topics to be discussed:

- Trends and Comparisons between State Workers' Compensation Systems
- Understanding How Workers Are Faring In Today's System
- New Strengths and Formulations of Physician Dispensed Drugs
- Monitoring Claim Shifts to the Workers' Compensation System

The WCRI conference, now in its 32nd year, is a leading workers' compensation forum for policymakers, employers, labor advocates, insurance executives, health care organizations, claims managers, researchers, and others. Conference participants will leave with new insights, valuable networking contacts, and a better understanding of key issues in today's competitive environment. For more information or to register, click on the green button below.
