Ms. Philpott,

I have attached the procedures we use to identify, review, and ultimately nominate a candidate for the position on the Building Code Council. I have also attached a copy of the advertisement for the open position. The advertisement was published in the South Carolina Business Opportunities Newsletter and displayed on numerous member websites. There was only one response received to the advertisement – Mr. Gregory Parsons.

In our review of Mr. Parsons, the SCESS council determined he was qualified and experienced based on his career and previous experience on the Building Code Council.

Based on the above, the SCESS Council feels they have performed their due diligence to provide the Governor's office a qualified candidate.

Please let me know if you have any further questions regarding our process or need any additional information.

Thanks, Ed

Good afternoon, Mr. Owens.

I'm writing in reference to your nomination of Mr. Greg Parsons for reappointment in the engineer seat on the Building Codes Council. Per Section 6-9-63 of the South Carolina Code of Laws, the engineer must be selected by the Governor from a "list of qualified candidates submitted to the Governor by the South Carolina Council of Engineering and Surveying Societies."

Your letter only includes one nominee. Please send our office at least one other candidate to consider so that we meet the statutory requirement of having a "list of candidates" at your earliest convenience.

Thank you,
