Katherine,

Hope you've had a great weekend. Any way I can speak Ms. Patel (or Gov. Haley) briefly tomorrow (Monday) regarding the upcoming SSFA meeting. On the agenda is something regarding the reinstallation of some QECB bonding for the construction of a new K-12 school in Denmark, S.C. I spoke with Curtis Loftis today and am also trying to give Governor Haley my input in favor of proposal. I plan on attending the meeting Tuesday morning as well. Thank you.

Rep. Justin Bamberg
