Thanks for your note – I'm glad we had a chance to talk. I'm going to talk to Rachel Card in our office about the teacher symposium that we'll likely hold this summer, and then either she or I will follow-up to discuss that with you. Thanks again.

Hi Christian,  
It was nice to meet you yesterday afternoon at the reception. I enjoyed hearing a little about your thoughts on education in our state. Please don't hesitate to reach out to me if I can ever be of assistance.  
Take care, and hope our paths will cross in the future.

*Sincerely,*
