Dear Governor Haley,

I am honored to invite you to participate as a featured speaker in the National Federation of Republican Women Region 8's "THE F1RST TUESDAY" monthly telephone call-in series. This program presents noteworthy guests to address timely and significant issues affecting the good people of our nation. I am proud to produce and host the series.

One of the primary goals of this series is to educate and enlighten our callers so that they will be informed citizens. "THE F1RST TUESDAY" call-in series is free to the first 1,000 callers who are members, friends and supporters of the Federation of Republican Women. On an average monthly call, we have between 400-450 eager listeners. Over the past year, the call-in has featured Senator Lindsay Graham, Congressman Louie Gohmert, Congressman Lee Zeldin, former Congressman Alan West, RNC Co-Chair Sharon Day, Center for Security CEO Frank Gaffney, Proclaiming Justice to the Nations Founder Laurie Cardoza-Moore, Terrorism Expert Claire Lopez, Citizen Activist Ann Corcoran, Political Strategist Dick Morris, Whistleblower Phil Haney, Campaign Expert Holly Robichaud and other public figures, leaders of vital organizations and people in the news.

The telephone call is scheduled from 7:30PM to 8:30PM ET on the first Tuesday of each month. It is broken up into two segments, from 7:30PM-8PM and 8PM-8:30PM. Your segment starts with a short introduction about you. You then address our listeners for approximately 10-12 minutes and follow by answering questions from them for approximately 10 minutes. Your segment ends with a short outro, thanking you and reminding listeners to call in the next month.

We hope that you would be able to participate on Tuesday, August 2, 2016 at 8PM.

However, if you are not available on that date, the next opportunities are:

- Tuesday, September 6, 2016
- Tuesday, October 4, 2016

My contact information is [aschockett@nfrw.org](mailto:aschockett@nfrw.org) and [516.395.7721-m](tel:516.395.7721) to discuss full details about the program and to answer any of your questions.

Deepest appreciation for the great work you do and for considering participation in this worthwhile series!

Sincerely,

Ann Schockett
