Dan and Susan:

Dan, I received your voicemail from late last night stating that the Office of First Steps needed an extension on the data request for CDEPP per the attached letter. The staff is prepared to provide an updated report on the program to the full EOC at its meeting on Monday, June 9.

Because telephone messages can only be archived for a brief period of time, I need the request for an extension in writing along with the explanation that you provided via the telephone message, and the date when you anticipate the EOC will receive the data. I have a responsibility to provide timely, accurate information to the EOC, the General Assembly and the Governor; therefore, future correspondence needs to be in writing.

Sincerely,

Melanie Barton
