Subject: S. 163

Katherine,

Let me know if any of you have any questions regarding S. 163 or the amended language. The obscenity language has been implemented in many states to keep unwanted films from qualifying for rebates. TX, NC, FL, KY and GA are just a handful that have implemented identical or similar language into their code of laws.

We are here as a resource if there are any questions.

Thanks,

Sunnie Harmon
