## Sasse Steps Up

BY JEFFREY H. ANDERSON

Senator Ben Sasse introduces a bill that helps advance the cause of repeal in six ways, most importantly by reducing the likelihood that Republicans would respond to a favorable verdict in King v. Burwell by expanding or “fixing” Obamacare.

## Overcoming Obamacare: Three Approaches to Reversing the Government Takeover of Health Care

BY CATO INSTITUTE

In an informative and lively exchange, Jeff Anderson, Michael Cannon, and Avik Roy debate the merits of various Obamacare alternatives, as Philip Klein moderates.

## A Court Rebuke, Then Effective Repeal and Replacement?

BY JEFFREY H. ANDERSON

GOP House chairmen, listening to the American people, start to outline a plan for how the goal of repealing and replacing Obamacare can become a reality.

## How a Free Clinic Offers Better Care Than Medicaid

BY MELISSA QUINN

With Obamacare’s onerous regulations intruding on the practice of medicine, some doctors are finding successful ways to serve needy patients while freeing themselves from the stifling restrictions of Obamacare and Medicaid.

## Most Members of Congress Share Netanyahu’s View

BY MICHAEL BARONE

Though unwelcomed by many liberals, Israeli Prime Minister Benjamin Netanyahu's address received strong bipartisan support, as he compellingly presented the case for stopping Iran from getting nuclear weapons, rather than capitulating to Iran in the desperate pursuit of a deal.

## Women in Combat: The Question of Standards

BY JUDE EDEN

As a female Marine veteran writes, the quest to push women into combat is leading to significantly lowered military standards, with President Obama's top military officer saying that if a "standard is so high that a woman couldn't make it, the burden is now on the service to come back and explain, why is it that high?"
