Subject: Senate Select Committee on Public School Teachers in South Carolina - initial meeting information

The initial meeting of the Select Committee on Public School Teachers in South Carolina, commissioned by Senator Courson and chaired by Senator Hayes, will be held Tuesday, August 19, 10:00 AM – Noon, in 207 Gressette (agenda attached). During this organizational meeting, committee members will begin to assess the current environment for the teaching profession in South Carolina, to include receiving brief updates from key teacher representatives, then discuss and determine topics to focus on in future meetings.

For your review prior to the meeting, attached are several relevant documents:

- Fall 2013 CERRA Teacher/Administrator Supply and Demand Report (14 pages)
- From the Southern Regional Education Board (SREB), a one-page "2014 Legislative Session Wrap-Up", and a matrix of "State Education Effectiveness Policies – 2014 Legislative Session", with embedded links to legislation passed in SREB states by subject area.

Additional informational needs will be at the direction of the committee, and may include requests for public input, additional data, etc.

Should you need to contact me regarding this meeting, please note that I will be out of the office until 8/13/14, with limited email and voicemail access. Thank you, and I look forward to seeing you on the 19<sup>th</sup>.
