explained the increased workload and asked for a full time assistant public defender for \$26,000-\$28,000. There would be approximately \$3,000 available in his budget (Conflict of Interest account) that could be applied toward the salary. The estimated amount needed between now and July 1 would be around \$10,000 (minus \$3,000=\$7,000 needed). Chairman Cox explained that a request of this nature should come up at budget time. Mr. Watson will check on forfeiture money that could be applied toward the position. Mr. Cox moved to authorize the Public Defender to transfer the \$3,000 from the Conflict of Interest account, hire an attorney with the \$3,000 with no promises, to assist with the workload. Council will decide if it will become a permanent position later. Mr. Hooper seconded and vote was unanimous.

Chairman Cox appointed Mr. Hooper to serve on the ANATS Committee with Mr. Holden. Ms. Cahaly was appointed to the Civic Center Authority. Mr. Hooper will also serve on the LEPC (Local Emergency Planning Committee).

Mr. Cox talked about combining the Recreation Commission and the Special Populations Recreation Department. Mr. Stephen Crawford presented an organizational chart changing the Recreation Commission to a Department with the Commission being advisory and placing the Special Populations under the Recreation Department. The secretary is currently doing work for the department already. Mr. Cox moved to take the organizational chart as information and the Special Populations Recreation Department be changed and come under the direction of Stephen Crawford as director with an advisory committee. Mr. Hooper seconded. Council discussed. Mr. Cox withdrew his motion to allow the new Council members and Mr. Holden time to study the motion. Mr. Cox then moved to receive as information and Ms. Cahaly seconded. Vote was unanimous.
