Good afternoon! I am very interested in your venue for my wedding on April 5th, 2020 (Sunday). We are looking at less than 100 guests. We do not have any catering picked out, so if you have any packages that would be awesome! Thanks, Madison

Is there a food and beverage minimum?

From the venue stand point, there is no food and beverage minimum. The only requirement for catering is that you work with the vendors from our list, other than that, all of the catering details (minimums, pricing, etc) would be discussed with the caterer that you choose.
