my Grandson

12-30-15

Dear Mrs. Haley,

As I am understading
you Passed a LAW if you PUT a bruise
on someone you go TO PRISON FOR
ONE year. I am writing you
concerning my grandson June 9
2015 he was sentence to one
year in prison for putting one
bruise on his girl friend, which
my daughter and I called and
told them to make her come
home they told us that they
couldn't make her. My grandson
has never gotten in a fight with
anyone, he got honor roll in his school
plus college ships now this is
messing his life up he doesn't
need to be in a place like
this they need this room for
someone that's a bad person.
He needs to go on with his
life just like that girl has
she has gotten married why
wasn't she punished too. This
just costing the state for him
to be there. I hope you could find it
in your heart to help my grandson
Thank you very much & God
Bless!

Thanks

Billie Carter
