Scott Shrader It's great your open, but it would be even better that the parks are closed so the employees could enjoy the holiday with friends and family.

Christy Mervine Scott Shrader the manned facilities will be closed so employees are with their families. But the GROUNDS are open...ie. hiking, fishing, playgrounds, etc to be enjoyed. We get a cabin at a state park the week of Thanksgiving every year. We are given contact information for an emergency, but there are no employees working.
