TREASON

★ THE GANG OF SIX ★

Dear Friends:

THE GANG OF SIX: (G6) created conditions for the ruthless communist blood thirsty Chinese parasites to defraud America and take over the world with CHINESE BANK WIRE FRAUD TRANSFERS (CBWFT yuan toilet papers. The Chinese crooks are also circulating over \$80-TRILLION CBWFT around the globe backed-up by at least 80-nuclear Chinese submarines against America to the GATES OF HELL. In reality China is totally bankrupt.

MY FELLOW AMERICANS: Why the Chinese have 2-accounts? One for the military over \$1-TRILLION with foreign currency in the last four decades, the second account is total CBWFT. China have only minus \$1.5-TRILLION gross domestic products in worthless yuan and the Chinese crooks treat the (G6) as 6-year old under-developed minds.

THE PIED PIPERS: Now the Chinese crooks are acting as pied pipers to hypnotize, to emit a shrill of mellow musical pipe sounds with the CBWFT feeding frenzy, leading the world population to the ocean to drown us all. They also involved in a super con-game with BRIGS to totally defraud them under their control, all Chinese embassies around the globe are paid by CBWFT yuan toilet papers.

CHINA LAUNDERED & DEFRAUDED: In America over \$18.4-TRILLION due to this some banks had to be bailed-out by taxpayers, in Europe over \$15-TRILLION, in South America over \$10-TRILLION, in Russia over \$8-TRILLION and many more trillions around the globe.

ON TOP OF ALL THIS: The G6 and their cohorts authorized the Chinese crooks the lead-poisoning the toys, food, etc to destroy our children's mental health to end-in obesity and suicide. To sell food to America by Chinese crooks is like selling ice to Eskimos.

IN SPITE OF ALL THIS: The Chinese crooks are continuing to buy everything in sight; real estate, businesses, oil, gold even Hollywood etc. paid by CBWFT.

FOR ALL 50 STATES: To file immediately under the RICO criminal and civil laws against the G6 and their cohorts so each state recover \$30-BILLION in the Secret Service robbery to stop the honeymoon sharing stolen assets as a personal piggy bank including EWC's stolen assets. Each state should demand 25-years to life for government crooks. The why is easy to figure it out the G6 and their cohorts, plus the Secret Service crooks having the honeymoon with stolen assets was a reward by government crooks.

TO MAKE THE PUBLIC EXTREMELY ANGRY: President Obama is begging the Cuban's Castro ego maniac for forgiveness who attempted mass murder with nuclear missiles on America is like begging Hitler for forgiveness. Castro is giggling in Havana.

IMMIGRATION LAWS: President Obama issued an Executive Order for over 40-Million illegal alien parking vulture criminals, millions are already in U.S. jails, demanding freebies; food stamps, schools, housing, baby sitting, major medical services all at a cost to the taxpayers over \$1-TRILLION. They were already sick as a dog when they got here, all this to jack-up the prices for all of us. Paying no taxes but they are sending home over \$100-BILLION every year. Now President Obama opened the flood-gate to stampede-in to continue to break IMMIGRATION LAWS. The immigration must charge urgently \$1,500.00 processing fees for legals, illegals approved or not. The illegal alien criminals for the last 3-decades siphoned, ripped-off the taxpayers over \$6-Trillion. President Obama is using the immigration and the Castro begging forgiveness as a side-show to enjoy the honeymoon with stolen assets belonging to all 50-states and EWC.

THE LATEST MAJOR FOREIGN FRAUDS: The victims are Mexico selling oil to the Chinese crooks for \$4-BILLION, New Zealand selling dairy products, meat, real estate, hotels etc all paid with CBWFT yuan toilet papers. This calls for the UNITED NATIONS ACTIONS.

ARE WE DEALING WITH HUMAN ANIMALS ON U.S. GOVERNMENT PAYROLL?

MAJOR GOVERNMENT FRAUDS: All this side-shows to bring down all 50 states and EMPIRE WASHINGTON CORP. (EWC) to have a honeymoon with all 50 states & EWC'S 3,003 investors stolen assets as a personal piggy bank by government crooks with 4-capital murders and kidnappings a suicidal maniacs motives, knowing that it is punishable by the Virginia's Electric Chair. As of January 31, 2015 it amounts to \$22-BILLION \$714-MILLION \$200-THOUSAND with each day delay \$3-million daily interest accrues.

Sincerely,

JUST TO CLEAR UP HOW I BECAME A CAPTAIN

Dear Friends:

During the Cuban missile crisis started when Washington refused a loan to Castro's Cuba when he called in the Soviets. At that time I was in Fort Meade, Maryland in the United States Army Intelligence as a translator. When the Secretary of State David D. Rusk showed-up with wet-pants, begged the Post Commander to send somebody to talk to the Soviet representatives that Rusk already set-up at the Baltimore Harbor, Maryland.

The Post Commander selected me and at the time I was an E-5. In order to do this I was promoted as a Military Intelligence Captain. There were a few people at the Pentagon who opposed me, but the Post Commander said that we are at the verge of WORLD WAR III, so he told the Pentagon that if you can find somebody by tomorrow morning then I will not be promoted. The Pentagon said that in such a short notice there was no way. So I was then promoted to the rank of Captain Joseph Domossy.

At that time the Soviets only had about 250 nuclear missiles, America and the west had over 5-thousand nuclear missiles. If the Soviets would have started a nuclear exchange, Russia would have become the 51st state of the United States, but the cost would be in the millions of American lives. I even read them a Russian Poem.

Just as I was ready to go to Baltimore Harbor for my appointment accompanied by two Military Police (MP), we were ambushed by General Curtis LeMay and he made threats to court marshal me and the firing squad because he wanted to start WORLD WAR III. I told the General is it worth millions of American lives for your court marshal? The MP's whispered to me that we have a winner here a (mental case). Before the General was arrested he said Captain if you fail in Baltimore Harbor don't come back. So I calmly said to the General please calm yourself and let us go.

Years later, CIA's Director William Casey told me that some soldiers in Vietnam just got a flesh wound and received a Congressional Metal of Honor, I saved millions of American lives and got zero. CIA's Dir. Casey said that it was a total hate crime and I should be promoted to a full bird-colonel.

CIA's Dir. Casey accused the Pentagon for supplying 15 heavy duty trucks for the robbery of \$136-Billion from the U.S. Treasury by the Secret Service, the White House crooks out of \$1.5-Trillion cash which was ordered by President Eisenhower during the cold war in the event of WORLD WAR III to be stored in a secret hideaway, here we go again the Secret Service crooks set the rest of \$1-Trillion \$364-Billion on fire to cover their tracks. To protect the Secret Service crooks the Pentagon requested CIA's Dir. Casey not to mention and keep it secret before agreeing to the promotion of Colonel Joseph Domossy. This could not be changed because it would be contrary to the Washington Post article published on Tuesday February 11, 1986 page E-3, so the Pentagon doctored Captain Joseph Domossy's record and the Secret Service crooks murdered CIA's Dir. Casey by checking him into Glen Cove, New York, Hospital for a complete physical check-up. Casey walked-in and never walked-out.
