Today's Governing Daily Presented by AT&T

FEATURED STORY FOR JULY 16, 2018

How States Are Making It Harder to Leave Unions

Just over two weeks since the Janus ruling, about a third of the affected states have taken actions meant to soften its impact on unions' membership and revenue.

A Case for the Surveillance State

Flashing police cameras may make neighborhoods feel ominous, but they serve a purpose.

VOICES OF THE GOVERNING INSTITUTE

What Businesses Should Be Doing for Their Communities

Doing more to help fund urban needs is good for their workers and their profitability. Some communities are insisting that they step up.

Criminals collected roughly one-billion dollars from ransomware in 2016.

Counties, Cities, States, and Educational institutions are prime targets for cyber-attacks, including ransomware. Ransomware disables entire networks. It forces tough decisions with unbearable timelines and creates fear and anger among constituents.
