Subject: Administration Operating Budget

Attachments: [FY'17 Administration Operating Budget March 21 2017.xlsx](#)

Danny and Lily,

I have attached the administration operating budget for the State House. I did move the last part of the operating budget from the prior administration after we ensured all bills were paid, which did increase the amount for the current administration in operating. If you have any questions, please let me know.

Thanks,

Ken Burton
