I'm seeing this petition because I am sick and tired of seeing police officers kill innocent and defenseless citizens. They need to be trained how to correctly calm a situation down and keep people alive. No one human being has the right to take another's, ever!! Only God has that right!!! We need this in all States!!

I greatly believe we need a program that has extensive training physically and mentally to enhance the knowledge of the policemen.

Police officers need extensive training. Too many lives are being taken, senselessly, due to inadequate training.
