Hon'ble Governor Haley,

I thank you for your letter dated September 25, 2014. I appreciate your personal commitment to support Bharat Forge Aluminiumtechnik in our effort to establish a manufacturing footprint in South Carolina. We are presently evaluating a facility in Ladson which is strategically located in the proximity of few of our potential customers' manufacturing plants.

My colleagues from Bharat Forge Aluminiumtechnik have been in touch with concerned officials from your state in this regard. I also take this opportunity to thank you and your team for the constant support and cooperation that has been provided to them so far.

I look forward to meeting with you soon, either during my next visit to the US or, in Mumbai on the 19<sup>th</sup> of November 2014. My team will coordinate with your office to set-up a meeting between both of us at a mutually convenient date and time.

With best personal regards,

Yours sincerely,

**Baba Kalyani**

Governor, State of South Carolina
