Kicking up the pace sounds great (I used to be a sprinter). Mutual accountability will be a positive driving force to hit the Oct. deadline.

Christian,

I wanted to send a quick note thanking you for pushing the NFP PFS concept forward and making yesterday's meeting a reality. The NSO and Social Finance team's were very encouraged with the meeting yesterday, as there was a lot of common ground in our respective visions for the project. While I am sure we will not agree on everything, I am confident the group's ability to find compromise. Looking forward to working with you over the next few months. It should be a good ride.

Best,

Nirav
