Good morning,

Today we're prepared to support both Team SC events, I've got two PIOs headed to both. If you need anything at these, please let us know.

We are working with DHEC on the mosquito issue. We've got infographics that we've pushed out via social and will have printed for all the DRCs and the counties.

*Our Ops section is also working with the counties on their requests for mosquito abatement.

Also working with State Housing on some messaging they would like to send out.

Hannah mentioned that we will have a DRC announcement for Chesterfield to send to you as soon as it's ready.

Talk to you soon, Thanks!
