Subject: 2016 with SC Thrive

We are so grateful to all our active counselors for being such an integral part of moving South Carolinians from crisis to sustainability. In order to maintain integrity and confidentiality with application assistance, all SC Thrive Benefits Counselors will be required to complete an abbreviated, annual Security Awareness Training. We have adopted this policy to ensure protection of personal information and promoting a safe environment for our Counselors and Clients. Starting January 15, we will send out a renewal Security Awareness Training for active SC Thrive Benefits Counselors to be completed within 30 days. The renewal will be sent to Counselors based on the month they completed SC Thrive Benefits Counselor Training. If not completed, Counselors will be disabled until completion. If you have any questions, please contact training@scthrive.org.

As a reminder, future SC Thrive Benefits Counselors are required to complete a background check and Security Awareness Training prior to their training date. If not completed, the trainee will not receive access to the Application Completion Tool.

We look forward to seeing you at a training in 2016!
