Senator Grooms,

Katherine asked that I send you the suggested quote below. Please let us know if you have any questions.

"As Transportation Chairman, I am ready to work with Governor Haley on reforming the structure of DOT because doing so is a critical part of a long term investment in our infrastructure. The current system puts political interests ahead of the best interests of taxpayers, and it's time for us to change that." – Senator Larry Grooms

Thank you,
Haley
