#90 of Director Phil's favorite spots in state parks: Go down by the riverfront at Givhans Ferry, and enjoy the views of historic Riverfront Hall and the blackwater Edisto River.

**Cynthia Craven** Ranger Rick! We enjoy our stays at the campground there all throughout the year! Getting ready to go camping there next week!

**Susan Mathis Howell** We just got back from a week long camping trip at Givhans Ferry State Park. We swam in the river almost every day and visited Colonial Fort Dorchester and Colleton State Park while we were there. We loved it.
