All-

One of the Pee Dee TV stations is doing a fairly significant deep dive into the governor's schedule. Looking at the parts of the state she has spent the most time in during her administration. We would like to provide them with some of the positive stats we have about their area.

Nicole- could you pull all visits to Darlington, Dillion, Horry, Florence, Marlboro and Marion counties from the second term?

Beth- could you have commerce pull all economic development announcements in Darlington, Dillion, Horry, Florence, Marlboro and Marion counties from the entire administration?

Ideally we would like to have all of this information today because the reporter is working on a deadline.

Let me know if you have any questions or concerns.
