The only other person I thought of was Bert Polk who has served as the appointed Fire Marshal under Haley. I don't really have any one business-wise. Legal shop always meets with people in conflict. I cannot think of anyone extremely helpful from LLR days either.

Halti,

I am late on this, but would it be appropriate to nominate Becca for all of her EMD emergency work? I know she is part of Team Haley, but she did so much during the flood and during Hurricane Matthew to tie together everyone and keep us all on the same page. I think this would be statewide service.

All,

Please let Haley know by 4:00 today if you have any suggestions of anyone that should receive the Order of the Palmetto. The Governor is looking for any ideas of anyone that has been helpful to Team Haley and the State of South Carolina.

Thanks,
Katherine
