Ashton and Katherine,

Please pass this along to Governor Haley before her trip to Bluffton on the 12th. PS. I am sure you will also hear from Kim Chapman and Marc Orlando... This is very important to our town and I am hopeful we will make this work.....

Governor Haley

Our town of Bluffton is extremely proud of your lead on the South Carolina efforts to repair all damage and help all families following the flood crisis. Your tenacity has inspired us to put all efforts in to help our neighbors. We are hoping you can fit time in your schedule next Thursday, prior to your talk in Belfair Plantation, and would like to extend an invite to have you come to Old Town Bluffton beforehand to see the incredible tiny home our community is building for Manning, SC. This is a quick 5 minute detour, and understanding your busy schedule will only take a few minutes out of your schedule.

It would mean a lot to me and all of Bluffton if you can fit this in, and to be optimistic about it, I will also send you the address so your driver can have it. 1321 May River Road, Bluffton SC. I am also attaching the press release that was sent out regarding the efforts our residents have made towards the victims of the flood.

Our builder, Ben Kennedy had the privilege of speaking with you last Monday in Manning has put together this special video:
