

To the Honorable Nikki R. Haley Gov.

Taxes for 2015 on 2011 GMC VEH:

\$549.77 2015

+\$531.99 2016

\$1081.76

I purchased this vehicle July 2015

-I never received the notice in the mail that the county states they sent.

-My wife and son never received their notices either for their vehicles and they had to pay late fees.

-My son had to pay up to \$100 for a late fee.

So, I'm wondering if other folks in Jasper County are experiencing the same problem.

If so, it seems to me that maybe they are not sending them out and they are generating extra revenue for the county this way. That would be sad for the folks in our community.

2 years in a row, who is responsible for insuring the notices get sent out in a timely manner. They should be held accountable for what they are getting paid to do.

Now here I am with a bill for 2 years for over \$1000 during this time of the year. This is not conducting ourselves in a responsible manner. Not only am I a retired marine, I am a federal employee, responsible and accountable for all the work I perform at the Social Security office in Beaufort, SC.

I am not happy about this oversight caused to me by someone else.

Sincerely,

Leon, J. Gysgt. USMC Retired
