Ok thanks. Our affiliate will be at the press conference, so we will certainly take a look at that.

Is she going to Charleston for the GOP debate tomorrow? Perhaps there would be some time then?

I don't think we're going to be able to make this work with the schedule, but if y'all want to get sound from the governor, she's doing a media avail following an education-focused policy event at 2 PM.

Hi Rob and Chaney,

I left both of you voicemails. We've figured out that in order to make the interview happen, we need to send a crew on the road to Columbia around 11:30AM. Any chance you can let us know if this might be possible in the next 30 minutes?

Many thanks,

Caroline

Hi Rob,

Long time, no speak. Hope you are doing well. I am about to step into a meeting, but I will call your cell afterwards.

Major and Arden are happy to drive to Columbia to do a sit-down interview with the Governor. Given their travel schedule, it would be have to be sometime after 3:45PM (and we'd want to run it on tonight's broadcast at 6:30PM). Any chance there is a window in her schedule?

Thanks,

Caroline

Have to say I was unaware of the last encounter....

Major and I are about to take off. Adding my colleague Caroline Horn who will take it from here...

I'm happy to discuss this with you tomorrow, but, I have to say, I'm surprised to hear from Major's team, given our last interaction with him.

(Also - for your planning purposes - the governor visits Gaston, S.C.'s Frances Mack Intermediate school tomorrow at 2 PM for an education-focused policy announcement. After the event, the governor will hold a media avail, and I imagine reporters will turn out to ask her about last night's address. If y'all need sound from her, that's a place to get it.)

Chaney and Rob –

Arden Farhi here from the CBS Evening News. I am Major Garrett's producer.

I understand the governor is scheduled to appear on CBS This Morning tomorrow.

We were wondering if she would also be willing to tape an interview with Major for tomorrow's CBS Evening News.

Would her schedule allow for an afternoon interview to talk about her speech? We'll be in Charleston, but would consider heading to Columbia (or wherever she is) if she's available.

Thanks very much –

Arden
