Katherine Veldran with the Governor's Office will be in touch with you to discuss the details of the Thursday, April 18, 2013 event.

I spoke to Scott and he will be able to meet with you this weekend so please call and set a time.

When I spoke to Scott Hunter and John Cunningham, Wexford Board President last week, I presented the idea that you wanted to host the event whereby there would be up top 72 players comprising of 1 active duty military player and 3 State Commerce players. All players including the military player would pay a fee and that the state would guarantee all players and the associated fees.

The fees were for Golf, Box Lunch or similar and Awards reception following play. A fee of \$195.00 inclusive per player was discussed as that was similar to fees charged at Long Cove for the 2012 event.

Wexford voiced concern with the size of the player field, the time of the shot gun event and the evening reception however they thought they could work this out with further discussion. The board however unanimously voted to proceed in hosting the event once the details were worked out.

Please let me know if there is anything further I can assist with. I will now turn this over to you and Scott.
