Nikki Haley on WTGS-SAV (FOX) - Savannah, GA

01/23/2015 07:18:15

Good Day Savannah (News)

... south carolina falls to the bottom when it comes to education."teachers deserve better, parents deserve better, and most of all, children deserve better"south carolina governor nikki haley addresses education this week in the annual state of the state.in a 'quality counts' overall education report card, south carolina ranks 43 out of the 50 states and the district of columbia."im not sure how useful it is to rank a state, particularly the one like ...
