I talk to you about this tonight. Don't let me forget. Limehouse called Tom Davis and Tom had me call him back.

Marissa,
Just wanted to let you know that I received a call to meet with Rep. Chip Limehouse and Al Saad (owner of Market Pointe) today. I did meet with them this afternoon. They are very interested in DMV moving to Market Pointe.

As you know, DMV has to relocate from the Park Street building at some time in the future. DMV would rather not move to Blythewood for many reasons but the biggest is the geographical location for our customers and our employee base. Last November, Dr. Carter granted DMV an extension for 6 months to study all available options. I am in the process of completing a report that I will submit to the Governor within the next few weeks.

Rep. Limehouse mentioned that he may try to contact the Governor's Office concerning a move to Market Pointe. I just wanted to give you a heads up.

Marcia
