Dear Board members:

I believe my email to you two days ago may not have been delivered to everyone, and I am resending it to make sure everyone receives it.

Attached is a mid-month report, which provides information on how to access materials for the January Board meeting. Also attached is a revised FY08 budget (which is also referenced in my report).

Sandy Bloomfield provided me with more clear instructions on accessing background materials for the Board meeting:

Paste the following link into your browser: <http://groups.aamva.org>

- You will be prompted to enter your email address and AAMVA password.
- On the left side of the screen, click the link Documents.
- Click on Agenda.
- Click on Board Meeting January 2008.
- You will see a list of documents.
- To view a document and/or print, click on the name of the document.
- To close the document and return to the list of documents, click the back button on the upper left corner of your screen.

Best regards,

Neil
