**Subject:** Team South Carolina event in Sumter

Directors,

The Governor is hosting a "Team South Carolina" event at the Disaster Recovery Center in Sumter on Friday. Team South Carolina will be a one-stop for people impacted by the flood. Please find the details below. As the Governor noted on today's call, we will also visit other counties in the coming weeks. For Friday, I will follow up with those of you listed below to determine appropriate staffing levels for your agency. For agencies that are not listed, please let me know if your staff could play a meaningful role. This will be an exciting opportunity for us to serve Sumter County as a team!

Best,

Austin
