WIS News 10 Sunrise (News)

... i've made good money, and i had to put tires and rims back on my car." right now, lawmakers are considering govenor nikki haley's road plan -- revealed in her state of the state address just last week. the three-pronged approach would cut the income tax, restructure scdot, and raise the gas tax in an effort to boost funding to fix roads. so far, shannon isn't sold on if the plan will make an impact. "i'm just skeptical, you know, that it's going to happen, because it hasn't happened so ...
