A RESOLUTION

APPROVING THE ACQUISITION, CONSTRUCTION AND EQUIPPING OF CERTAIN INDUSTRIAL FACILITIES IN SPARTANBURG COUNTY (TO BE LEASED TO JONATHAN LOGAN, INC.) THROUGH THE ISSUANCE OF ONE MILLION DOLLARS (\$1,000,000) OF SPARTANBURG COUNTY, SOUTH CAROLINA, FIRST MORTGAGE INDUSTRIAL REVENUE BONDS, SERIES 1971 (JONATHAN LOGAN, INC. - LESSEE); AND AUTHORIZING THE PETITION TO THE STATE BUDGET AND CONTROL BOARD OF SOUTH CAROLINA FOR ITS APPROVAL OF SUCH UNDERTAKING PURSUANT TO ACT NO. 103 OF THE 1967 ACTS OF THE GENERAL ASSEMBLY OF SOUTH CAROLINA.

As an incident to the adoption of this Resolution the Board of County Commissioners of Spartanburg County (the County Board) has made the following findings of fact:

1. Jonathan Logan, Inc., a Delaware corporation (Jonathan Logan), proposes to construct on a parcel of land in Spartanburg County, containing approximately 10 acres, and located on New Cut Road, southwest of I-26, in the Sigsbee Community, new facilities for the shipping and distribution of garments, at an estimated cost of One Million Two Hundred Thousand Dollars (\$1,200,000). Jonathan Logan advised the County Board that its proposed construction program was dependent upon the assistance which the County might render through the sale of not exceeding \$1,000,000 Spartanburg County Industrial Revenue Bonds pursuant to Act No. 103 enacted by the South Carolina General Assembly at its 1967 Session (the Act) and the County Board agreed that it would accept a conveyance of the 10 acre tract of land above-mentioned and would authorize the issuance of \$1,000,000 Spartanburg County First Mortgage Industrial Revenue Bonds, Series 1971 (Jonathan Logan, Inc. - Lessee) (the Bonds) in order to finance the cost of acquiring, constructing and equipping the said facilities. The aforesaid agreements between the County Board and Jonathan Logan are more fully set forth in a certain Inducement Contract between them executed by the County Board on

February 10th, 1971.

The County Board is, therefore, now minded to approve the issuance of the Bonds in order to finance the acquisition, construction and equipping of the said facilities (the said 10 acre tract of land, and the buildings, machinery and equipment constituting the said facilities being hereinafter referred to as the Project).

2. In order that the Bonds may be issued to finance the acquisition, construction and equipping of the Project, it is necessary that there be presented to the State Budget and Control Board of South Carolina (the State Board) a Petition setting forth the facts required by Section 14 of the Act.

3. The County Board has determined that neither the Project nor the Bonds will give rise to any pecuniary liability of Spartanburg County or a charge against its general credit or taxing power.

4. The amount necessary to finance the Project is approximately One Million Two Hundred Thousand Dollars (\$1,200,000) of which Jonathan Logan will provide from its own funds all amounts in excess of One Million Dollars (\$1,000,000).

5. Jonathan Logan proposes to enter into a Lease with Spartanburg County under which Spartanburg County will lease the Project to Jonathan Logan and Jonathan Logan will agree to pay as rent the amount necessary to provide the annual payments of principal, premium, if any, and interest on the Bonds, which will mature over a fifteen year period and will bear interest as set forth in paragraph 6 in the Petition attached hereto.

6. The proposed Lease will obligate Jonathan Logan unconditionally to pay the amount necessary to provide the annual

payments of principal and interest to become due on the Bonds and to pay other costs in connection therewith and contains an appropriate provision requiring Jonathan Logan to pay in lieu of taxes, such amounts as would otherwise be paid if Jonathan Logan owned the Project.

7. In view of the well established credit of Jonathan Logan, it is unnecessary to establish reserve funds for the payment of principal and interest.

8. Jonathan Logan has advised the County Board that Hendrix, Mohr & Yardley, Inc., Birmingham, Alabama, has agreed to act as underwriter, subject to usual customary conditions, for the sale of the Bonds.

9. The Bonds will be issued as tax exempt bonds pursuant to the provisions of Section 103 (c) (6) (A) of the Internal Revenue Code of 1954.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF SPARTANBURG COUNTY, IN MEETING DULY ASSEMBLED:

That the County Board finds that the facts set forth above are in all respects true and correct and on such basis determines to finance the Project above described, and to authorize the sale of the Bonds by Spartanburg County.

BE IT FURTHER RESOLVED:

That the Petition in form substantially as attached hereto be presented to the State Board to seek the approval required by Section 14 of the Act; and that said Petition shall be duly executed by the Chairman of the County Board, and attested

by its Secretary.

TO: THE STATE BUDGET AND CONTROL
BOARD OF SOUTH CAROLINA

P E T I T I O N

The Petition of the Board of County Commissioners of Spartanburg County (the County Board), pursuant to Act No. 103 of the Acts of the General Assembly of the State of South Carolina for the year 1967, respectfully shows:

1. The County Board is the governing body of Spartanburg County and was so constituted by Act No. 1035 of the Acts of the General Assembly of the State of South Carolina for the year 1968, as amended, and as such it is the "County Board" referred to in Act No. 103 of the General Assembly enacted at its 1967 Session (the Act).

2. The Act authorizes and empowers the County Board if it shall comply with the provisions set forth in the Act, to acquire land, buildings, equipment and machinery and other improvements deemed necessary, suitable or useful by any commercial distribution enterprise; to lease the same; and to finance the acquisition of the same through the issuance of bonds payable from and secured by a pledge of the revenues to be derived from the leasing of such land, buildings, equipment and machinery and other improvements.

3. Jonathan Logan, Inc., a Delaware corporation (Jonathan Logan) proposes to construct on a parcel of land in

Spartanburg County, containing 10 acres, more or less, and located on New Cut Road southwest of I-26, in the Sigsbee Community, new facilities for the shipping and distribution of garments, (said land, and the buildings, machinery and equipment constituting the said facilities being hereinafter referred to as the Project). The County Board has agreed to accept a conveyance of said 10 acre parcel of land and further, the County Board has agreed to issue, at such time as the underwriter selected by Jonathan Logan is successful in marketing the same, \$1,000,000 Spartanburg County First Mortgage Industrial Revenue Bonds, Series 1971 (Jonathan Logan, Inc. - Lessee), pursuant to the Act in order to finance the acquisition, construction and equipping of the Project.

4. Accordingly, the County Board now proposes to accept from Jonathan Logan a conveyance of the said 10 acre tract of land and to issue the Bonds in the amount of \$1,000,000 in order to acquire, construct and equip the Project.

5. The construction of the Project will provide considerable employment during the period of construction, and when completed will provide employment for approximately 150 persons.

6. For the reasons above set forth and hereafter disclosed, the County Board has found:

(a) That the proposed Jonathan Logan Project will subserve the purposes of the Act.

(b) That by reason of undertaking the Project no pecuniary liability will result to the County nor will there be a charge against its general credit or taxing power.

(c) The proposed Lease between the County Board and Jonathan Logan will unconditionally obligate Jonathan Logan to pay rent in an amount adequate to provide for the principal and interest payable on the Bonds which will mature as follows, subject to minor adjustments which may be made in the maturity schedule prior to the delivery of the Bonds:

YEAR	PRINCIPAL AMOUNT
1972	\$ 45,000
1973	45,000
1974	50,000
1975	50,000
1976	55,000
1977	60,000
1978	60,000
1979	65,000
1980	70,000
1981	75,000
1982	75,000
1983	80,000
1984	85,000
1985	90,000
1986	95,000

The Bonds will bear interest at a rate yet to be determined but in no event to exceed Eight Per Centum (8%) per annum. It is contemplated that the Indenture providing for the issuance of the Bonds will also contain provisions permitting Bonds to be redeemed under certain conditions.

(d) Jonathan Logan is a corporation with a well established credit and therefore it is unnecessary to establish reserve funds for the payment of such principal and interest.

(e) The terms of the Lease will require Jonathan Logan to carry proper insurance and to pay all costs of maintaining the Project in good repair.

(f) The proposed Lease will provide that upon payment of the Bonds and all other amounts due by Jonathan Logan thereunder, the County Board will sell and Jonathan Logan will purchase the Project for the sum of One Dollar (\$1.00).

7. Pursuant to Section 14 of the Act, the County Board sets forth the following information:

(a) The Project consists of the said 10 acre tract of land and new facilities for the shipping and distribution of garments, including buildings, machinery and equipment necessary therefor.

(b) The Project will provide considerable employment during the period of its construction and will provide permanent employment, when completed, for approximately 150 persons. It is therefore believed that the Project will have an extremely beneficial effect upon the economy of the County and areas adjacent thereto.

(d) The cost of the Project is approximately One Million Two Hundred Thousand Dollars (\$1,200,000), including land acquisition, construction costs, equipment and machinery, financing costs, and all other expenses to be incurred in connection therewith.

8. The proposed Lease will provide, among other things, the following:

(a) To finance the cost of acquisition, construction and equipping the Project, the County will issue \$1,000,000 of Spartanburg County First Mortgage Industrial Revenue Bonds, Series 1971 (Jonathan Logan, Inc. - Lessee). All Bonds will be secured by a pledge of the rents to be paid by Jonathan Logan and

will be further secured by a Trust Indenture, as authorized by Section 5 of the Act, to a bank yet to be named as Trustee.

(b) That Jonathan Logan will complete the Project if the proceeds of the Bonds are insufficient; and in that connection, will require Jonathan Logan to provide any additional amount required for that purpose in excess of the Bond proceeds.

(c) The proceeds derived from the sale of the Bonds will be deposited with the Trustee and will be withdrawn on requisition of Jonathan Logan and the County and applied solely for the payment of costs incident to the acquisition, construction and equipping of the Project and the issuance of the Bonds.

(d) The Lease will contain a specific provision by which Jonathan Logan will unconditionally agree to make payments to Spartanburg County, to any School District in Spartanburg County, and to all other political units in which the Project is situated, in lieu of taxes, in such amounts as would result from taxes levied on the Project by Spartanburg County, by any such School District, and by said political units if the Project were owned by Jonathan Logan, but with appropriate reductions similar to the tax reductions, if any, which would be afforded to Jonathan Logan were it the owner of the Project.

(e) The Lease contains no provision imposing any pecuniary liability upon the County or which would create a charge upon its general credit or taxing power.

9. The proposed Trust Indenture is in conventional form and constitutes a forecloseable mortgage upon the Project. Included in the granting clause of the mortgage will be:

(a) All real property, equipment, and machinery and interest therein, acquired or to be acquired for the Project.

(b) The right, title and interest of the County in the Lease.

(c) All rentals and revenues derived by the County under the Lease, except those payments to be made in lieu of taxes or by way of indemnification to the County.

The Indenture makes provision for the issuance of One Million Dollars (\$1,000,000) of Bonds to be secured thereunder upon the terms and conditions therein contained. It provides for the payment and redemption of the Bonds, the establishment of a Bond Fund into which the proceeds of the rents payable by Jonathan Logan are placed, and the use of said fund for the payment of the Bonds. It imposed upon Jonathan Logan as Lessee of the Project, the obligation to pay, in addition to the moneys required for the payment of the principal and interest of the Bonds, all other costs and expenses resulting from the execution and delivery of the Indenture and the issuance of the Bonds pursuant thereto.

10. The proposed Lease and the proposed Trust Indenture will be substantially in the form used in previous industrial revenue financings.

Upon the basis of the foregoing, the County Board respectfully prays:

That the State Budget and Control Board accept the filing of the Petition presented herewith and that it do, thereafter, and as soon as practicable, make its independent investigation of the Project and the terms and provisions of the Lease and the Trust Indenture, as it deems advisable, and that thereafter,

7.

the said State Board make a finding that the proposed Project will promote the purpose of the Act and that it is reasonably anticipated to effect such result, and on the basis of such finding that it does approve the Project, and give published notice of its approval in the manner set forth in Section 14 of the Act.

Respectfully Submitted,

SPARTANBURG COUNTY, SOUTH CAROLINA

EXHIBIT "A"

NOTICE PURSUANT TO ACT NO. 103 OF
THE ACTS OF THE GENERAL ASSEMBLY
SOUTH CAROLINA FOR THE YEAR
1967

Notice is hereby given that following the filing of a Petition by the Board of County Commissioners of Spartanburg County (the County Board) to the State Budget and Control Board of South Carolina (the State Board), approval has been given by the State Board to the following undertaking (including changes in any details of the said financing as finally consummated which do not materially affect the said undertaking), viz:

The acquisition by the County Board of a parcel of land containing approximately 10 acres in Spartanburg County, on which the County Board will cause to be constructed and equipped new facilities for the shipping and distribution of garments (said 10 acre tract of land, and the buildings, machinery and equipment constituting the said facilities being hereinafter referred to as the Project). To finance the acquisition, construction and equipping of the Project, the County Board will issue \$1,000,000 of Spartanburg County First Mortgage Industrial Revenue Bonds (the Bonds) pursuant to Act No. 103 of the Acts of the South Carolina General Assembly for the year 1967. The County Board will lease the Project to Jonathan Logan, Inc., a Delaware corporation (Jonathan Logan), under a Lease Agreement and the Bonds of Spartanburg County will be payable solely from the rentals to be paid to the County by Jonathan Logan, which has irrevocably covenanted and agreed to pay when due, all sums required for the principal and interest thereon, and the Bonds will be additionally secured by a Trust Indenture which will constitute a forecloseable lien upon the Project.

In addition Jonathan Logan has agreed to pay as additional rentals to Spartanburg County, the School District, and all other political units wherein the Project is located, in lieu of taxes, such amounts as would result from taxes levied on the Project by Spartanburg County, the said School District, and the said other political units wherein the Project is situated, if the Project were owned by Jonathan Logan, but with appropriate reductions similar to the tax exemptions, if any, which would be afforded to Jonathan Logan if it were the owner of the Project.

When completed, it is estimated that the Project will provide employment for approximately 150 persons.

Notice is further given that any interested party may at any time within twenty (20) days after the date of publication of this Notice, but not afterwards, challenge the validity of the action of the State Board in approving the undertaking of the County Board by action de novo instituted in the Court of Common Pleas for Spartanburg County.

All Bonds will be secured by a pledge of the rents to be paid by Jonathan Logan and

will be further secured by a Trust Indenture, as authorized by Section 5 of the Act, to a bank yet to be named as Trustee.

(b) That Jonathan Logan will complete the Project if the proceeds of the Bonds are insufficient; and in that connection, will require Jonathan Logan to provide any additional amount required for that purpose in excess of the Bond proceeds.

(c) The proceeds derived from the sale of the Bonds will be deposited with the Trustee and will be withdrawn on requisition of Jonathan Logan and the County and applied solely for the payment of costs incident to the acquisition, construction and equipping of the Project and the issuance of the Bonds.

(d) The Lease will contain a specific provision by which Jonathan Logan will unconditionally agree to make payments to Spartanburg County, to any School District in Spartanburg County, and to all other political units in which the Project is situated, in lieu of taxes, in such amounts as would result from taxes levied on the Project by Spartanburg County, by any such School District, and by said political units if the Project were owned by Jonathan Logan, but with appropriate reductions similar to the tax reductions, if any, which would be afforded to Jonathan Logan were it the owner of the Project.

(e) The Lease contains no provision imposing any pecuniary liability upon the County or which would create a charge upon its general credit or taxing power.

9. The proposed Trust Indenture is in conventional form and constitutes a forecloseable mortgage upon the Project. Included in the granting clause of the mortgage will be:

(a) All real property, equipment, and machinery and interest therein, acquired or to be acquired for the Project.

(b) The right, title and interest of the County in the Lease.

(c) All rentals and revenues derived by the County under the Lease, except those payments to be made in lieu of taxes or by way of indemnification to the County.

The Indenture makes provision for the issuance of One Million Dollars (\$1,000,000) of Bonds to be secured thereunder upon the terms and conditions therein contained. It provides for the payment and redemption of the Bonds, the establishment of a Bond Fund into which the proceeds of the rents payable by Jonathan Logan are placed, and the use of said fund for the payment of the Bonds. It imposed upon Jonathan Logan as Lessee of the Project, the obligation to pay, in addition to the moneys required for the payment of the principal and interest of the Bonds, all other costs and expenses resulting from the execution and delivery of the Indenture and the issuance of the Bonds pursuant thereto.

10. The proposed Lease and the proposed Trust Indenture will be substantially in the form used in previous industrial revenue financings.

Upon the basis of the foregoing, the County Board respectfully prays:

That the State Budget and Control Board accept the filing of the Petition presented herewith and that it do, thereafter, and as soon as practicable, make its independent investigation of the Project and the terms and provisions of the Lease and the Trust Indenture, as it deems advisable, and that thereafter,

7.

the said State Board make a finding that the proposed Project will promote the purpose of the Act and that it is reasonably anticipated to effect such result, and on the basis of such finding that it does approve the Project, and give published notice of its approval in the manner set forth in Section 14 of the Act.

Respectfully Submitted,

Dear Pat:

Re: \$1,000,000 Spartanburg County First Mortgage
Industrial Revenue Bonds, Series 1971
(Jonathan Logan, Inc. - Lessee).

The State Budget and Control Board has approved the undertaking by the Board of County Commissioners of Spartanburg County to be financed through the issuance of the captioned bonds. Since the proposal was originally submitted, there have been several changes in details. The undertaking will not include any equipment or machinery as such, but will include heating and air-conditioning systems to be included in the building and a combination gas and oil steam boiler which will be permanently affixed to the building. Further, instead of the 10 acre parcel of land originally contemplated, the land included in the project will contain only 6 acres.

Although we are satisfied that the approval previously given is adequate to include the undertaking as now modified, we have forwarded to Roy McBee Smith, Attorney for Spartanburg County, a Supplemental Petition in the form included herein, and you should be receiving an executed copy of the same from him in the next day or so setting forth the aforesaid changes.

Enclosed you will find the original and ten (10) copies of a suggested resolution to be adopted by the State Board confirming that the approval heretofore given includes the changes in the undertaking described above and in the Supplemental Petition. When adopted, please return 10 certified copies of this resolution to us.

TO: THE STATE BUDGET AND CONTROL)
BOARD OF SOUTH CAROLINA) SUPPLEMENTAL PETITION

This Supplemental Petition on behalf of the Board of County Commissioners of Spartanburg County (the County Board) respectfully shows:

1. The County Board has heretofore petitioned the State Budget and Control Board of South Carolina (the State Board) for its approval of the County Board's undertaking to finance the acquisition and construction of new facilities for the shipping and distribution of garments in Spartanburg County to be leased to Jonathan Logan, Inc., a Delaware corporation (Jonathan Logan), pursuant to the provisions of Act No. 103 of the Acts of the General Assembly of the State of South Carolina for the year 1967. At its meeting held on March 11, 1971, the State Board approved said undertaking by the County Board, including the issuance of One Million Dollars (\$1,000,000) Spartanburg County First Mortgage Industrial Revenue Bonds, Series 1971 (Jonathan Logan, Inc. - Lessee), the proceeds of which will be used to acquire, construct and equip such facilities.

2. Although the original proposal submitted to and approved by the State Board expressly included "equipment and machinery", the only such items actually to be included in the undertaking are the heating and air-conditioning systems to be installed in the Building and a 40 horsepower 150 pound operating pressure combination gas and No. 2 oil steam boiler (Superior) all of which will be permanently affixed to the Building and will be fixtures thereto. Furthermore, while the original proposal contemplated that the facilities would be constructed on a ten (10) acre parcel of land, it is now proposed that said facilities be constructed on a six (6) acre parcel of land.

3. Approval heretofore given by the State Board included such changes in any details of the said financing as finally consummated which do not materially affect the undertaking, and the changes hereinabove set forth have been duly approved by the County Board as not constituting any material change in the original proposal.

4. Attached to this Supplemental Petition is a draft of the Lease Agreement and Trust Indenture prepared in connection with the issuance of the above described bonds and although these documents are not in final form, they are substantially so.

WHEREFORE, your Petitioner, on behalf of the Board of County Commissioners of Spartanburg County prays that the State Board approve the modifications hereinabove set forth in the proposal described above and confirm that the approval heretofore given includes the undertaking as now contemplated with the result that no further publication of notice of such approval is required.

REPRESENTATIONS AND UNDERTAKINGS

SECTION 2.1. Representations by the County. The County makes the following representations as the basis for the undertakings on its part herein contained:

(a) The County is a body politic and corporate and a political subdivision of the State of South Carolina, and is authorized and empowered by the provisions of the Act to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder. The Project constitutes and will constitute a "project" within the meaning of the Act. By proper action by the County Board and the State Budget and Control Board of South Carolina, the County has been duly authorized to execute and deliver this Agreement.

(b) The County has acquired the Leased Land, upon which the Building is being constructed by the Lessee and has authorized, and does hereby authorize, the Lessee to complete the construction of the Building thereon, and to acquire, install and construct all other things deemed necessary in connection with the Project, and the County proposes to lease the Project to the Lessee and to sell the Project to the Lessee at the expiration or earlier termination of the Lease Term, all for the purposes of promoting and employing the manpower, agricultural products and natural resources of South Carolina.

(c) Heretofore, and before construction of the Building was begun, the County and the Lessee did agree that the County would finance the cost of acquiring, and constructing the Project. The Lessee has estimated that such cost will not exceed \$1,200,000 and Lessee will provide all such funds required in excess of \$1,000,000; and on that basis the County now proposes to issue the Bonds in the aggregate principal amount of \$1,000,000, which will be dated, mature and bear interest as set forth in Section 202 of the Indenture and which will be subject to redemption on the occasions and at the redemption prices set forth in Section 301 of the Indenture, in order to finance the cost of acquiring, and constructing the Project.

SECTION 2.2. Representations by the Lessee. The Lessee makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Lessee is a corporation duly incorporated under the laws of Delaware, in good standing under its

Charter and the laws of South Carolina, and has power to enter into this Agreement and by proper corporate action has been duly authorized to execute and deliver this Agreement.

(b) Neither the execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms and conditions of this Agreement, conflict with or result in a breach of any of the terms, conditions or provisions of any corporate restriction or any agreement or instrument to which the Lessee is now a party or by which it is bound, or constitute a default under any of the foregoing, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Lessee under the terms of any instrument or agreement.

(c) Relying upon the agreement of the County to finance \$1,000,000 of the cost of acquiring and constructing the Project as aforesaid, the Lessee has heretofore acquired the Leased Land, has begun construction of the Building on the Leased Land.

(d) The Lessee intends to continue to operate the Project, from the Completion Date to the expiration or earlier termination of the Lease Term as provided herein as a facility for the shipping and distribution of garments.

(e) The acquiring of the Project by the County through the issuance of the Bonds and the leasing of the Project to the Lessee has induced the Lessee to establish this industrial enterprise in the County.

ARTICLE III

DEMISING CLAUSE, WARRANTY OF TITLE AND TITLE INSURANCE

SECTION 3.1. Demise of the Leased Land and Building.

The County demises and leases to the Lessee, and the Lessee leases from the County, the Leased Land and the Building at the rental set forth in Section 5.3 hereof and in accordance with the provisions of this Agreement.

SECTION 3.2. Warranty of Title. The County warrants that it has acquired a good and marketable fee simple title to the Leased Land and Building, free from all encumbrances other than Permitted Encumbrances, and at the time of the delivery of the Bonds the County will furnish a written opinion of Independent Counsel that the County has a good and marketable fee simple title to the Leased Land and Building, free from all encumbrances other than Permitted Encumbrances.

SECTION 3.3. Title Insurance. At the time of the delivery of the Bonds, the County will provide a Mortgage Title Insurance Policy (or an appropriate Binder) upon the Leased Land and Building issued by a company approved by the Trustee insuring the lien of the Indenture upon the Leased Land and Building, subject to no encumbrances other than Permitted Encumbrances, in the amount of not less than \$1,000,000. Any Net Proceeds therefrom shall be used to remedy the title defect resulting in the payment thereof or deposited in the Bond Fund.

ARTICLE IV

COMPLETION OF THE PROJECT; ISSUANCE OF THE BONDS; INVESTMENT OF CONSTRUCTION FUND

SECTION 4.1. Agreement to Construct and Equip the Building on the Leased Land. The County has acquired the Leased Land, including the partially completed Building, by deed of the Lessee recorded simultaneously herewith. The Lessee agrees

that it will exercise the authorizations given to it by the County in Section 2.1(b) and:

(a) It will cause the Building to be completed on the Leased Land wholly within the boundary lines thereof (the Building to contain approximately 105,000 square feet, and to be used for the purposes set forth in Article II hereof); all of which will be constructed in accordance with a general description heretofore furnished to the County by the Lessee.

(b) It will cause to be acquired and installed in the Building or on the Leased Land for use of Lessee those items of machinery and equipment (which shall remain the property of the Lessee and in which the County shall have no interest) which in Lessee's judgment may be necessary for the operation of the Project.

The Lessee agrees to complete the construction of the Building as promptly as practicable after receipt of proceeds from the sale of the Bonds and to continue the said construction with all reasonable dispatch.

SECTION 4.2. Agreement to Issue Bonds; Application of Bond Proceeds. In order to provide funds for payment of the costs of the Project, the County agrees that it will, on or before the 31st day of May, 1971, sell and cause to be delivered to the purchasers thereof the Bonds in the aggregate principal amount of \$1,000,000, and will thereupon (i) deposit in the Bond Fund all accrued interest received on the sale of the Bonds and (ii) deposit in the Construction Fund the balance of the proceeds received from said sale.

SECTION 4.3. Disbursements from the Construction Fund. The County shall in the Indenture authorize and direct the Trustee

to use the moneys in the Construction Fund for the following purposes (but, subject to the provisions of Section 4.9 hereof, for no other purposes):

(a) Payment of the initial or acceptance fee of the Trustee, the fees for recording the deed whereby the Leased Land has been conveyed to the County, this Agreement, the Indenture, financing statements and any title curative documents that either the Trustee, the Lessee, or Independent Counsel may deem desirable to file for record in order or to perfect or protect the lien or security interest of the Indenture on the Project; and the fees and expenses in connection with any actions or proceedings that either the Trustee, the Lessee or Independent Counsel may deem desirable to bring in order to perfect or protect the title of the County to the Project or to perfect or protect the lien or security interest of the Indenture on the Project.

(b) Payment to the Lessee or the County, as the case may be, of such amounts, if any, as shall be necessary to reimburse the Lessee and the County in full for all advances and payments made by them or either of them prior to or after the delivery of the Bonds for expenditures in connection with (i) the acquisition by the County of title to the Leased Land, including the cost of the Leased Land and the preparation of plans and specifications for the Project (including any preliminary study or planning of the Project or any aspect thereof) and (ii) clearing the Leased Land, the construction of the Building, and all construction, acquisition and installation expenses required to provide utility services or other facilities, and all real or personal properties deemed necessary in connection with the Project (including

architectural, engineering and supervisory services with respect to any of the foregoing).

(c) Payment of the cost of legal, financial and accounting fees and expenses, any title insurance premium, and printing and engraving costs incurred in connection with the authorization, sale and issuance of the Bonds, the preparation of this Agreement, the Indenture, the Official Statement, and all other documents in connection therewith and in connection with the acquisition of title to the Leased Land and Building.

(d) Payment for labor, services, materials and supplies used or furnished in site improvement and in the construction of the Building, payment for the cost of the construction, acquisition, and installation of utility services or other facilities, and all real and personal property deemed necessary in connection with the Project and payment for the miscellaneous expenses incidental to any of the foregoing items including the premium on any surety bond.

(e) Payment of the fees, or out-of-pocket expenses of the Lessee, if any, for architectural, engineering and supervisory services with respect to the Project.

(f) Payment to the Trustee as such payments become due, of the fees and expenses of the Trustee (as Trustee, Bond Registrar and paying agent) and of any paying agent properly incurred under the Indenture that may become due during the Construction Period, or reimbursement thereof if paid by the Lessee.

(g) To such extent as they shall not have been paid by a contractor for construction or installation with respect to any part of the Project, payment of the

premiums on all insurance required to be taken out and maintained during the construction of the Project, or reimbursement thereof if paid by the Lessee.

(h) Payment of the taxes, assessments and other charges, if any, referred to in Section 6.3 hereof that may have become payable during the construction of the Project, or reimbursement thereof if paid by the Lessee.

(i) Payment of expenses incurred in seeking to enforce any remedy against any contractor or subcontractor in respect of any default under a contract relating to the Project.

(j) Payment of any other costs and expenses relating to the Project.

(k) All moneys remaining in the Construction Fund after payment in full of the costs of acquiring and constructing the Project, and after payment of all other items provided for in the preceding subsections (a) to (i), inclusive, of this Section, shall at the direction of the Lessee be (i) used by the Trustee for the purchase of Bonds for the purpose of cancellation, at prices not exceeding the principal amount thereof plus accrued interest thereon to the date of delivery, or (ii) paid in to the Bond Fund, except for amounts retained by the Trustee with the approval of the Authorized Lessee Representative for payment of Project costs not then due and payable, any balance remaining of such retained funds after full payment of all such Project costs to be used by the Trustee as directed by the Lessee in the manner specified in clauses (i) and (ii) of this subsection.

Provided that:

(1) Each of the payments made pursuant to the preceding subsections (a), (b), (c), (d), (e), (g), (i) and (j) of this Section shall be made only upon receipt by the Trustee of a written order by the Authorized Lessee Representative and by the Authorized County Representative which shall certify with respect to each such payment;

(i) that none of the items for which the payment is proposed to be made has formed the basis for any payment theretofore made from the Construction Fund and (ii) that each item for which the payment is proposed to be made is or was necessary in connection with the Project, was in conformance with the plans and specifications therefor.

(2) In the case of any contract providing for retention by the Lessee of a portion of the contract price, there shall be paid from the Construction Fund only the net amount remaining after deduction of any such portion, until such retainage becomes due under such contract.

SECTION 4.4. Trustee May Rely on Order and Certifications.

In making any such payment from the Construction Fund, the Trustee may rely on any such orders and certifications delivered to it pursuant to Section 4.3, and the Trustee shall be relieved of all liability with respect to making such payments in accordance with such order and certifications.

SECTION 4.5. Establishment of Completion Date. The Completion Date shall be evidenced to the Trustee by a certificate signed by the Authorized Lessee Representative stating that, except for amounts retained by the Trustee for Project costs not then due and payable as provided in Section 4.3(k), (i) construction of the Building has been completed in accordance with the specifications therefor and all labor, services, materials

and supplies used in such construction have been paid for, and (ii) all other facilities necessary in connection with the Project have been constructed, acquired and installed in accordance with the specifications therefor and all costs and expenses incurred in connection therewith have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being. It shall be the duty of the Lessee to cause the certificate contemplated by this Section 4.5 to be furnished as soon as the Project shall have been completed.

SECTION 4.6. Lessee Required to Pay Construction Costs in Event Construction Fund Insufficient. In the event the moneys in the Construction Fund available for payment of the costs of the Project shall not be sufficient to pay the costs thereof in full, the Lessee agrees to complete, or cause to be completed, the Project and to pay all that portion of the costs of the Project as may be in excess of the moneys available therefor in the Construction Fund. The County does not make any warranty, either expressed or implied, that the moneys which will be paid into the Construction Fund and which, under the provisions of this Agreement, will be available for payment of the costs of the Project, will be sufficient to pay all the costs which have been or will be incurred in that connection. The Lessee agrees that if after exhaustion of the moneys in the Construction Fund the Lessee shall pay any portion of the said costs of the Project pursuant to the provisions of this Section, it shall not be entitled to any reimbursement therefor from the County or from the Trustee or from the holders of any of the Bonds, nor shall it be entitled to any diminution of the rents payable under Section 5.3 hereof. The obligation of the Lessee to complete the Project shall survive any termination of this Agreement.

SECTION 4.7. Authorized Lessee and County Representatives and Successors. The Lessee and the County Board, respectively, shall designate, in the manner prescribed in Section 1.2, the Authorized Lessee Representative and the Authorized County Representative. In the event that any person so designated and his alternate or alternates, if any, should become unavailable or unable to take any action or make any certificate provided for or required in this Agreement, a successor shall be appointed in the same manner.

SECTION 4.8. Enforcement of Remedies Against Contractors and Subcontractors and Their Sureties. The Lessee covenants that it will take such action and institute such proceedings as shall be necessary to cause and require all contractors and material suppliers to complete their contracts diligently in accordance with the terms of said contracts, including, without limitation, the correcting of any defective work, with all expenses incurred by Lessee in connection with the performance of its obligations under this Section 4.8 to be considered part of the Project costs referred to in Section 4.3(i), and the County agrees that the Lessee may, from time to time, in its own name, or in the name of the County, take such action as may be necessary or advisable, as determined by Lessee, to insure the construction of the Project in accordance with the terms of such construction contracts, to insure the peaceable and quiet enjoyment of the Project for the Lease Term, and to insure the performance by the County of all covenants and obligations of the County under this Agreement, with all costs and expenses incurred by the Lessee in connection therewith to be considered as part of the Project costs referred to in Section 4.3(i). Any amounts recovered by way of damages, refunds, adjustments or otherwise in connection with the foregoing, less any unreimbursed legal expenses incurred

in order to collect the same, shall be paid into the Bond Fund.

SECTION 4.9. Investment of Construction Fund Moneys Permitted. Any moneys held as a part of the Construction Fund shall at the written request of the Authorized Lessee Representative be invested or reinvested by the Trustee in (i) obligations of the United States and agencies thereof; (ii) general obligations of the State of South Carolina or any of its political units; (iii) Savings and Loan Associations to the extent that the same are secured by the Federal Deposit Insurance Corporation; (iv) certificates of deposit where such certificates of deposit are collaterally secured by securities of the type described in (i) and (ii) above held by a third party as escrow agent or custodian, of a market value not less than the amount of the certificates of deposit so secured, including interest; or (v) to the extent such investments are not prohibited by law for investment of bond proceeds by the County, certificates of deposit of banks or trust companies, including the Trustee, organized under the laws of the United States or any state thereof, which have a combined capital and surplus of at least \$20,000,000, or prime commercial paper. Such investments shall be as specified by the Authorized Lessee Representative.

ARTICLE V

EFFECTIVE DATE OF THE AGREEMENT; DURATION OF LEASE TERM;
RENTAL PROVISIONS; PAYMENTS IN LIEU OF TAXES
AND UNCONDITIONAL OBLIGATIONS OF LESSEE

SECTION 5.1. Effective Date of this Agreement; Duration of Lease Term. This Agreement shall become effective upon its delivery, and the leasehold estate created in this Agreement shall then begin, and, subject to the provisions of this Agreement (including particularly Articles X and XI and Section 12.1), shall expire April 1, 1986.

SECTION 5.2. Delivery and Acceptance of Possession.

The County agrees to deliver to the Lessee sole and exclusive possession of the Project upon the execution and delivery of this Agreement and Lessee, thereupon and thereafter shall have sole and exclusive possession of the Project during the Lease Term (subject to the right of the County and Trustee to enter thereon for inspection purposes and to the other provisions of Section 8.2 hereof).

SECTION 5.3. Rents and other Amounts Payable. Lessee

agrees and binds itself to pay to Trustee rent for the Project in equal monthly installments during the Lease Term, namely, on or before the 18th day of each calendar month commencing from and after the issuance of the Bonds and ending March 18, 1986. The amount of the basic rental payments due each month shall be Eight Thousand Five Hundred Eleven and 67/100 Dollars (\$8,511.67), except that the amount due each month on or before September 18, 1971 shall be such amount as will result, together with any accrued interest received in the issuance and sale of the Bonds in a total of Fifty One Thousand Seventy and 02/100 Dollars (\$51,070.02) on said date. In any event each rental payment under this paragraph shall be sufficient to pay one-sixth (1/6) of the total amount of interest and one-twelfth (1/12) of the total amount of principal (whether at maturity or by redemption or acceleration as provided in the Indenture) and premium, if any, payable on the next succeeding interest payment date, and if at any interest payment date the balance in the Bond Fund is insufficient to make the required payments of principal (whether at maturity or by redemption or acceleration as provided in the Indenture) and premium, if any, and interest on such date, the Lessee shall forthwith pay any such deficiency; provided that any amount at any time held by the Trustee in the Bond Fund shall be credited against the next rental payment to the extent

such amount is in excess of the amount required for payment of Bonds theretofore matured or called for redemption and past due interest in all cases where such Bonds or coupons have not been presented for payment; and provided further, that if the amount held by the Trustee in the Bond Fund should be sufficient to pay at the times required the principal of, premium, if any, and interest on the Bonds then remaining unpaid, the Lessee shall not be obligated to make any further rental payments under the foregoing provisions of this Section.

The Lessee agrees to pay to the Trustee until the principal of, premium, if any, and interest on the Bonds shall have been fully paid (i) an amount equal to the annual fee of the Trustee for the ordinary services of the Trustee, as Trustee, rendered and its ordinary expenses, as Trustee, incurred under the Indenture, as and when the same becomes due, (ii) reasonable fees and charges of the Trustee, as Bond Registrar and paying agent, and any other paying agents on the Bonds for acting as paying agents as provided in the Indenture, as and when the same become due, and (iii) the reasonable fees and charges of the Trustee for the necessary extraordinary services rendered by it and extraordinary expenses incurred by it under the Indenture, as and when the same become due; provided, that the Lessee may, without creating a default hereunder, contest in good faith the necessity for any such extraordinary services and extraordinary expenses and the reasonableness of any such fees, charges or expenses. The payments required by this paragraph are estimated to be \$106.25 per month which shall be paid with the rental payments prescribed by the preceding paragraph, resulting in a total monthly payment of \$8,617.92, except that the amount paid each month on or before September 18, 1971, shall be such amount as will result, together with any accrued interest received in the issuance and sale of the Bonds, in a total of Fifty One Thousand Seven Hundred and Seven and 52/100 (\$51,707.52) on said date.

In the event the Lessee shall fail to make any of the payments required in this Section 5.3, the item or installment so in default shall continue as an obligation of the Lessee until the amount in default shall have been fully paid, and the Lessee agrees to pay the same with interest thereon at the rate of 8% per annum until fully paid. The provisions of this Section shall be subject to the provisions of Section 9.6 hereof.

SECTION 5.4. Place of Rental Payments. The rent provided for in Section 5.3 hereof shall be paid directly to the Trustee for the account of the County and shall be deposited in the Bond Fund. The additional payments to be made to the Trustee under Section 5.3 hereof shall be paid directly to the Trustee for its own use or for disbursement to the paying agents, as the case may be.

SECTION 5.5. Payments in Lieu of Taxes . It is recognized that under the provisions of the Act when any project is leased by a county pursuant to the Act the lessee thereof shall be required to make payments to the county, the school district or school districts, and other political units wherein the project shall be located in lieu of taxes, in such amounts as would result from taxes levied on the Project by such county, school district or school districts, and other political unit or units, if the project were owned by the lessee, but with appropriate reductions similar to the tax exemptions, if any, which would be afforded to the lessee if it were the owner of the project. For the sole purpose of enabling the Lessee to comply with the aforesaid obligation, it is agreed that the County in cooperation with the Lessee (i) shall cause the Project to be valued as if privately owned as aforesaid for purposes of the said taxes by the State Tax Commission of South Carolina or such other appropriate officer as may from time to time be charged with responsibility for making such valuations; (ii) shall cause to be appropriately applied to the valuation or valuations so determined the respective rate or rates of such taxes, that would be applicable to the Project if so privately owned; (iii) shall cause the respective appropriate

officer or officers charged with the duty of levying and collecting such taxes to submit to the Lessee, when the respective levies are made upon property privately owned as aforesaid, a statement specifying the amount and due date of such taxes which the county, school district and other political units having taxing powers would receive if the Project were so privately owned; and Lessee shall file any accounts or tax returns required with the appropriate officer or officers. The Lessee shall pay to the aforesaid taxing authorities when due all such payments in lieu of taxes with respect to the Project required by the Act to be paid to the aforesaid taxing authorities, subject in each case to the Lessee's right to obtain exemptions (and discounts), if any, therefrom which would be afforded to a private owner of the Project and to seek to obtain a refund of any such payments made, and to contest the same in the manner and to the extent provided in Section 6.3 in the case of taxes and other governmental charges. The Lessee's obligation to make such additional payments shall continue only so long as and to the extent the Lessee is required by law to pay the aforesaid amounts in lieu of taxes. Once having paid the amounts required by this Section 5.5 to be paid by it in lieu of taxes, the Lessee shall not be required to pay any such taxes for which a payment in lieu thereof has been made to the State or to any city, county, town, school district or other political unit, any other statute to the contrary notwithstanding. In the event the Lessee shall fail to make any of the payments required by this Section 5.5, the amount or amounts so in default shall continue as an obligation of the Lessee until fully paid and the Lessee agrees to pay the same with interest thereon at eight per centum (8%) per annum until fully paid.

SECTION 5.6. Obligations of Lessee Hereunder Unconditional.

Subject to the provisions of this Section and Section 9.6 hereof, the obligations of the Lessee to make the payments required in

Sections 5.3 and 5.5 hereof and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional, irrespective of any defense or any rights of set-off, recoupment or counterclaim it might otherwise have against the County, and until such time as the principal of, and interest and premium, if any, on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture, the Lessee (i) will not suspend or discontinue any payments provided for in Section 5.3 hereof, (ii) will perform and observe all of its other agreements contained in this Agreement, and (iii) except as provided in Section 11.1 hereof will not terminate the Lease Term for any cause including, without limiting the generality of the foregoing, failure by the Lessee to complete the Project, the taking by eminent domain of title to or the right of temporary use of all or any part of the Project, any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of South Carolina or any political subdivision of either thereof or any failure of the County to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Agreement. Nothing contained in this Section shall be construed to release the County from the performance of any of the agreements on its part herein contained; and in the event the County should fail to perform any such agreement on its part, the Lessee may institute such action against the County as the Lessee may deem necessary to compel performance so long as such action does not abrogate the Lessee's obligations contained in the first sentence of this Section 5.6.

The Lessee may, however, at its own cost and expense and in its own name or in the name of the County, prosecute or defend any action or proceeding or take any other action involving third persons which the Lessee deems reasonably necessary in order to secure or protect its right of possession, occupancy and use hereunder, and in such event the County hereby agrees to cooperate fully with the Lessee and to take all action necessary to effect the substitution of the Lessee for the County in any such action or proceeding if the Lessee shall so request.

ARTICLE VI

MAINTENANCE, TAXES AND INSURANCE

SECTION 6.1. Maintenance and Modifications of Project

by Lessee. The Lessee agrees that during the Lease Term it will at its own expense (i) keep the Project in as reasonably safe condition as its operations shall permit and (ii) keep the Building and all other improvements forming a part of the Project in good repair and in good operating condition, making from time to time, subject to the provisions of Section 6.2, all necessary repairs thereto and renewals and replacements thereof. The Lessee may, also at its own expense, make from time to time any additions, modifications or improvements to the Project it may deem desirable for its business purposes that do not adversely affect the operations being conducted in and upon the Project (or, if no operations are being conducted, the operations for which the Project was designed or last modified). Subject to the provisions of Section 6.2 hereof, such additions, modifications and improvements so made by the Lessee shall be on the Leased Land and become a part of the Project. The Lessee shall not permit any mechanics' or other liens to be established or remain for more than 30 days against the Project for labor or materials furnished in connection with any additions, modifications, improvements, repairs, renewals or replacements so made by it; provided, that if the Lessee shall first notify

the Trustee of its intention so to do, the Lessee may in good faith contest any mechanics' or other liens filed or established against the Project, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom unless the Trustee shall notify the Lessee that, in the opinion of Independent Counsel, by non-payment of any such items the lien of the Indenture as to any part of the Project will be materially endangered or the Project or any part thereof will be subject to loss of forfeiture, in which event the Lessee shall promptly pay and cause to be satisfied and discharged all such unpaid items. The County will cooperate fully with the Lessee in any such contest.

SECTION 6.2. Installation of Lessee's Own Machinery and Equipment. The Lessee may from time to time, in its sole discretion and at its own expense, install machinery, equipment and other personal property in the Building or on the Leased Land and which may be attached or affixed to the Building or the Leased Land. All such machinery, equipment and other personal property, shall remain the sole property of the Lessee and the Lessee may remove the same from the Building or the Leased Land at any time, in its sole discretion and at its own expense; provided, that any damage to the Leased Land or Building resulting from any such removal shall be required by the Lessee at the expense of the Lessee. The Lessee may create any mortgage, encumbrance, lien or charge on any such machinery, equipment and other personal property provided that the same will not diminish or impair the security intended to be given by or under the Indenture. Neither the County nor the Trustee shall have any interest in or landlord's lien on any such machinery, equipment or personal property so installed pursuant to this Section 6.2 and all such machinery, equipment

and personal property shall be and remain identified as the property of the Lessee by appropriate tags or other markings.

SECTION 6.3. Taxes, Other Government Charges and Utility Charges. The County and the Lessee acknowledge (i) that pursuant to Section 13 of the Act, no part of the Project owned by the County will be subject to taxation in South Carolina, that under present law the income and profits (if any) of the County from the Project are not subject to either Federal or South Carolina taxation and that under present law there is no tax imposed upon leasehold estates in South Carolina and (ii) that these factors, among others, have induced the Lessee to enter into this Agreement.

However, the Lessee will pay, as the same become due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Project or any machinery, equipment or other property installed or brought by the Lessee therein or thereon (including, without limiting the generality of the foregoing, any taxes levied upon or with respect to the lease rentals, revenues or receipts of the County from the Project which, if not paid, will become a lien on the Project prior to or on a parity with the lien of the Indenture or a charge on the revenues and receipts therefrom prior to or on a parity with the charge thereon and the pledge or assignment thereof to be created and made in the Indenture, and including all ad valorem taxes lawfully assessed upon the leasehold estate hereby granted and conveyed to the Lessee in the Project), all utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Project and all assessments and charges lawfully made by any governmental body for public improvements that may be secured by lien on the Project; provided, that with respect to special assessments or other governmental charges that may lawfully be paid in install-

ments over a period of years, the Lessee shall be obligated to pay only such installments as are required to be paid during the Lease Term.

If the Lessee shall first notify the Trustee of its intention so to do, the Lessee may, at its expense and in its own name and behalf or in the name and behalf of the County, in good faith contest any such taxes, assessments and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Trustee shall notify the Lessee that, in the opinion of Independent Counsel, by nonpayment of any such items the lien of the Indenture will be materially endangered or the Project or any part thereof will be subject to loss or forfeiture in which event such taxes, assessments or charges shall be paid promptly. The County will cooperate fully with the Lessee in any such contest. In the event that the Lessee shall fail to pay any of the foregoing items required by this Section to be paid by the Lessee, the County or the Trustee may (but shall be under no obligation to) pay the same and any amounts so advanced therefor by the County or the Trustee shall become an additional obligation of the Lessee to the one making the advancement, which amounts, together with interest thereon at the rate of 8 per centum per annum from the date thereof, the Lessee agrees to pay.

The County agrees that any investment tax credit with respect to the Project shall be made available to the Lessee and the County will fully cooperate with the Lessee in any effort by the Lessee to avail itself of any such investment tax credit.

SECTION 6.4. Insurance Required. (a) Lessee shall, at Lessee's sole cost and expense at all times during the Lease

Term, keep the Project insured against loss or damage in accordance with the customary insurance practices of Lessee, but in all events to the following extent:

(i) Against the perils of fire and the hazards ordinarily included under standard extended coverage endorsements in amounts necessary to prevent the application of the co-insurance provisions of the applicable policies but not less than the lesser of 80% of the full insurable value thereof within the terms of applicable policies or an amount equal to the principal amount of Bonds outstanding from time to time.

(ii) Against war risks when a state of war or national or public emergency exists and such insurance is obtainable from a department or agency of the United States Government, upon reasonable terms, in the full amount necessary to prevent the application of the co-insurance provisions of the applicable policies but not less than 80% of the then full insurable value, or, if such amounts be not obtainable, then in the highest amount which can be so obtained.

(iii) If there are boilers or pressure vessels, from boiler or pressure vessel explosion in an amount customarily carried in the case of similar industrial operations.

The term "full insurable value" means such value as shall be determined from time to time at the request of the County, Lessee or Trustee (but not more frequently than once in every twenty-four (24) months) by one of the insurers selected by Lessee.

(b) At all times during the Lease Term, Lessee shall, at no cost or expense to the County, maintain or cause to be maintained:

(i) General public liability insurance and workmen's compensation insurance in amounts usually carried by similar operations against claims for bodily injury or death occurring upon, in or about the Project, with such insurance (other than workmen's compensation insurance) to afford protection to the limits of not less than \$300,000 in respect of bodily injury or death to any one person and to limit of not less than \$500,000 in respect of any one accident; and

(ii) Property damage insurance against claims for damage to property (including loss of use) occurring upon, in or about the Project with such insurance to afford protection to the limit of not less than \$50,000 in respect of damage to the property of any one owner.

(c) Copies or certificates of the insurance required by this Section, each bearing notations evidencing payment of the premiums or other evidence of coverage satisfactory to the Trustee, shall be delivered by Lessee to the Trustee. And, in the case of expiring policies throughout the term, copies or certificates of any new or renewal policies, each bearing notations evidencing payment of the premiums or other evidence of coverage satisfactory to the Trustee, shall be delivered by Lessee to the Trustee.

(d) Policies of insurance provided for in Section 6.4(a) shall name the County and the Lessee as insureds as their respective interests may appear, provided, however, that the Trustee shall also be named as a party insured pursuant to a standard mortgagee clause as its interests may appear, and provided further that while any Bonds remain outstanding all casualty insurance shall be payable as provided in Section 7.1 hereof.

(e) All insurance required by this Section 6.4 shall be effected with responsible insurance companies selected by the Lessee. Lessee shall cause appropriate provisions to be inserted in each insurance policy making each policy noncancellable without at least ten (10) days prior written notice to the County, Lessee and Trustee. Also, it is agreed that no claim shall be made and no suit or action at law or in equity shall be brought by the County or by anyone claiming by, through or under the County, against Lessee for any damage to the Project covered by the insurance provided for by this Section 6.4, however caused, but nothing in this sub-section (e) shall diminish Lessee's obligation to repair or rebuild as provided in Section 7.1. The Lessee shall have the sole right and responsibility to adjust any loss with the insurer involved and to conduct any negotiations in connection therewith, provided that so long as any Bonds remain outstanding and unpaid no settlement of any claim shall be effected without the written consent of the Trustees.

SECTION 6.5. Application of Net Proceeds of Insurance.

The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.4(a) hereof shall be received by the Lessee and shall then be paid and applied as provided in Section 7.1 hereof and the Net Proceeds of insurance carried pursuant to the provisions of Section 6.4(b) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6. Advances by the County or the Trustee.

In the event the Lessee shall fail to maintain the full insurance coverage required by this Agreement or shall fail to keep the Project in as reasonably safe condition as its operations will permit, or shall fail to keep the Project in good repair, the County or the Trustee may (but shall be under no obligation to)

take out the required policies of insurance and pay the premiums on the same or make required repairs; and all amounts so advanced therefor by the County or the Trustee shall become an additional obligation of the Lessee to the one making the advancement, which amounts, together with interest thereon at the rate of 8% per annum from the date thereof, the Lessee agrees to pay.

ARTICLE VII

DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1. Damage and Destruction. (a) Unless the Building shall be damaged to the extent prescribed by, and the Lessee shall elect to exercise its option to purchase pursuant to, the provisions of Section 11.2(a) hereof, prior to full payment of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) the Project is damaged by fire or other casualty to such extent that the claim for loss under the insurance policies required to be carried pursuant to Section 6.4(a) hereof resulting from such destruction or damage is not greater than \$50,000, the Lessee (i) shall promptly repair, rebuild or restore the Project to as nearly substantially the same condition thereof as existed prior to the event causing such damage or destruction with such changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Lessee and as will not impair the value or the character of the Project as a shipping and distribution facility and (ii) will apply for such purpose so much as may be necessary of any Net Proceeds of Insurance resulting from such claims for losses. All Net Proceeds of Insurance resulting from such claims for losses not in excess of \$50,000 shall be paid to the Lessee, subject to the provisions of Section 7.1(e).

(b) Unless the Building shall be destroyed or damaged to the extent prescribed by, and the Lessee shall elect to exercise its option to purchase pursuant to, the provisions of Section 11.2(a) hereof, if prior to full payment of the Bonds (or provisions for payment thereof having been made in accordance with the provisions of the Indenture) the Project is destroyed or is damaged (in whole or in part) by fire or other casualty to such extent that the claim for loss under the insurance policies required to be carried pursuant to Section 6.4(a) hereof resulting from such destruction or damage as in excess of \$50,000, the Lessee shall promptly give written notice thereof to the Trustee. All Net Proceeds of Insurance resulting from such claims for losses in excess of \$50,000 shall be paid to and held by the Trustee in a separate trust account, whereupon the Lessee shall proceed promptly to repair, rebuild or restore the Project to substantially the same condition thereof as existed prior to the event causing such damage or destruction with such changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Lessee and as will not impair the value or the character of the Project as a shipping and distribution facility, whereupon the Trustee shall apply so much of the costs of such repair, rebuilding or restoration, either on completion thereof or as the work progresses.

(c) In the event the Net Proceeds are not sufficient to pay in full the costs of any such repair, rebuilding or restoration, the Lessee shall nonetheless complete said work and shall pay that portion of the costs thereof in excess of the amount of said Net Proceeds.

(d) The Lessee shall not, by reason of the payment of such excess costs be entitled to any reimbursement from the

County, the Trustee or the holders or owners of the Bonds or any abatement or diminution of the rents payable under Section 5.3 hereof.

(e) Any balance of such Net Proceeds remaining after payment of all costs of such repair, rebuilding or restoration shall be paid into the Bond Fund. If the Bonds have been fully paid (or provision therefor has been made in accordance with the Indenture), all Net Proceeds shall be paid to the Lessee.

SECTION 7.2. Condemnation. Unless title to, or temporary use of, all or substantially all, or any material portion, of the Project shall have been taken by condemnation and the Lessee shall elect to exercise its option to purchase pursuant to the provisions of Section 11.2(b) hereof, in the event that title to, or the temporary use of, the Project or any part thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, the Lessee shall be obligated to continue to make the rental payments specified in Section 5.3 hereof. The County, the Lessee and the Trustee shall cause the Net Proceeds received by them or any of them from any award made in such eminent domain proceedings, to be paid to and held by the Trustee in a separate trust account, to be applied in one or more of the following ways as shall be directed in writing by the Lessee:

(a) To the restoration of the Project to substantially the same condition thereof as existed prior to the exercise of the said power of eminent domain.

(b) To the acquisition, by construction or otherwise, in the name of the County of improvements consisting of a building or buildings, facilities, machinery, equipment

or other properties suitable for the Lessee's operations at the Project (which improvements shall be deemed a part of the Project and available for use and occupancy by the Lessee without the payment of any rent other than as herein provided to the same extent as if such other improvements were specifically described herein and demised hereby); provided, that such improvements shall be acquired by the County subject to no liens or encumbrances, other than Permitted Encumbrances.

(c) For deposit into the Bond Fund, provided that the Lessee shall furnish to the County and the Trustee a certificate of an Independent Engineer acceptable to the County and the Trustee stating (i) that the property forming a part of the Project that was taken by such condemnation proceedings is not essential to the Lessee's use or occupancy of the Project, or (ii) that the Project has been restored to a condition substantially equivalent to its condition prior to the taking by such condemnation proceedings or (iii) that improvements have been acquired which are suitable for the Lessee's operations at the Project as contemplated by the foregoing subsection (b) of this Section.

Unless the Lessee shall have elected to exercise its option to purchase pursuant to the provisions of Section 11.2(b) hereof within ninety days from the date of entry of a final order in any eminent domain proceedings granting condemnation, the Lessee shall direct the County and the Trustee in writing as to which of the ways specified in this Section the Lessee elects to have the condemnation award applied.

Any balance of the Net Proceeds of the award in such eminent domain proceedings shall be paid into the Bond Fund. If the Bonds have been fully paid (or provision for payment thereof has been made in accordance with the provisions of the Indenture), all Net Proceeds shall be paid to the Lessee.

The County shall cooperate fully with the Lessee in the handling and conduct of any prospective or pending condemnation proceeding with respect to the Project or any part thereof and shall, to the extent it may lawfully do so, permit the Lessee to litigate in any such proceeding in the name and on behalf of the County. In no event shall the County voluntarily settle, or consent to the settlement of, any prospective or pending condemnation proceeding with respect to the Project or any part thereof without the written consent of the Lessee.

SECTION 7.3. Condemnation of Lessee-Owned Property.

The Lessee shall also be entitled to the Net Proceeds of any condemnation award or portion thereof made for damages to or takings of its own property not included in the Project (except for damages for the value of its leasehold estate under this Agreement which shall be disposed of pursuant to Section 7.2 hereof).

ARTICLE VIII

SPECIAL COVENANTS

SECTION 8.1. No Warranty of Condition or Suitability by the County. The County makes no warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Lessee's purposes or needs.

SECTION 8.2. County's and Trustee's Right of Access to the Project. The Lessee agrees that the County, the Trustee and the duly authorized agents of each of them shall have the

right at all reasonable times to enter upon the Leased Land and to examine and inspect the Project, including such rights of access to the Project as may be reasonably necessary for the proper maintenance of the Project in the event of failure by the Lessee to perform its obligations under Section 6.1 hereof. The rights of access hereby reserved to the County and the Trustee may be exercised only after any such agent shall have executed releases of liability and secrecy agreements in the form then currently used by the Lessee. However, nothing contained in this Section 8.2 or in any other provision of this Agreement shall be construed to entitle the County or the Trustee to any information or inspection involving the confidential know-how of the Lessee.

SECTION 8.3. Lessee to Maintain its Corporate Existence; Conditions Under Which Exceptions Permitted. The Lessee agrees that during the Lease Term it will maintain its corporate existence, will not dissolve or otherwise dispose of all or substantially all of its assets and will not consolidate with or merge into another corporation or permit one or more other corporations to consolidate with or merge into it; provided, that the Lessee may, without violating the agreement contained in this Section, consolidate with or merge into another corporation, or permit one or more other corporations to consolidate with or merge into it, or sell or otherwise transfer to another corporation all or substantially all of its assets as an entirety and thereafter dissolve, but only on condition (i) that such surviving, successor or transferee corporation is a solvent corporation organized and existing under the laws of the State of South Carolina, or is duly qualified to do business in the State of South Carolina,

(ii) that the surviving, resulting or transferee corporation shall expressly assume and agree to perform all of the Lessee's obligations under this Lease Agreement, and (iii) in connection with any such consolidation or merger, there shall be filed with the County, the original purchaser of the Bonds and the Trustee a letter or certificate by a firm of certified public accountants (which is of the size and type commonly referred to as nationally known certified public accountants and which is acceptable to the Trustee), certifying that after the consummation of such consolidation or merger the corporation resulting from or surviving such consolidation or merger will have an excess of assets over liabilities at least as great as the Lessee would have had if such consolidation or merger had not occurred; or (iv) in connection with any such sale there shall be filed with the County, the original purchaser of the Bonds, and the Trustee a letter or certificate by a firm of certified public accountants (which is of the size and type commonly referred to as nationally known certified public accountants and which is acceptable to the Trustee) certifying that at the consummation of such transfer the corporation to which such transfer is made has an excess of assets over liabilities at least as great as the Lessee would have had if such transfer had not been made.

SECTION 8.4. Qualification in South Carolina. The Lessee warrants that it is and throughout the Lease Term it will continue to be duly qualified to do business in South Carolina.

SECTION 8.5. Release of Certain Land. In addition to the rights granted by Section 11.3 hereof, the parties hereto reserve the right at any time and from time to time to amend this Agreement for the purpose of effecting the release of and removal from this Agreement and the leasehold estate created hereby (i) of any unimproved part of the Leased Land (on which

the Building is not situated, but upon which transportation or utility facilities may be situated) on which the County then proposes to construct, or cause to be constructed, improvements for lease to the Lessee or any subsidiary or affiliated corporation thereof under another and different lease agreement or (ii) any part (or interest in such part) of the Leased Land with respect to which the County proposes to grant an easement or convey fee title to a railroad, public utility or public body in order that railroad, utility services or roads may be provided for the Project; provided, that if at the time any such amendment is made any of the Bonds are outstanding and unpaid there shall be deposited with the Trustee the following:

(a) A copy of the said amendment as executed.

(b) A resolution of the County Board (i) stating that the County is not in default under any of the provisions of the Indenture and the Lessee is not to the knowledge of the County in default under any of the provisions of this Agreement, (ii) giving an adequate legal description of that portion (together with the interest in such portion) of the Leased Land to be released, (iii) stating the purpose for which the County desires the release, (iv) stating that the said improvements which will be so constructed will be such as will promote the continued industrial development of South Carolina and (v) requesting such release.

(c) A resolution of the board of directors of the Lessee approving such amendment and a certificate of the president, any vice president or treasurer of the

Lessee stating that the Lessee is not in default under any of the provisions of this Agreement.

(d) A copy of any agreement wherein the County agrees (i) to construct, or cause to be constructed, improvements on the portion of the Leased Land so requested to be released and (ii) to lease the same; or a copy of the instrument granting the easement or conveying the title to a railroad, public utility or public body.

(e) A certificate of an Independent Engineer who is acceptable to the Trustee, dated not more than sixty days prior to the date of the release and stating that, in the opinion of the person signing such certificate, (i) the portion of the Leased Land so proposed to be released is necessary or desirable in order to obtain railroad, utility services or roads to benefit the Project or is not otherwise needed for the operation of the Project for the purposes hereinabove stated and (ii) the release so proposed to be made will not impair the usefulness of the Project as a manufacturing plant and will not destroy the means of ingress thereto and egress therefrom.

And, provided further, if such release relates to Leased Land on which transportation or utility facilities are located, the County shall retain an easement to use such transportation or utility facilities to the extent necessary for the efficient operation of the Project as a manufacturing plant and assembly plant.

If all of the conditions of this Section 8.5 are met, the Trustee shall be authorized to release any such property from the lien of the Indenture.

No release effected under the provisions of this Section shall entitle the Lessee to any abatement or diminution of the rents payable under Section 5.3 hereof.

SECTION 8.6. Granting of Easements. If no event of default under this Agreement shall have happened and be continuing, the Lessee may at any time or times grant easements, licenses, rights of way (including the dedication of public highways) and other rights or privileges in the nature of easements with respect to any property included in the Project, free from the lien of the Indenture, or the Lessee may release existing easements, licenses, rights of way and other rights or privileges with or without consideration, and the County agrees that it shall execute and deliver and will cause and direct the Trustee to execute and deliver any instrument necessary or appropriate to confirm and grant or release any such easement, license, right of way or other right or privilege upon receipt of: (i) a copy of the instrument of grant or release; (ii) a written application signed by the president or a vice president or the chairman of the board of directors of the Lessee requesting such instrument; and (iii) a certificate executed by the president or a vice president or the chairman of the board of directors of the Lessee stating (1) that such grant or release is not detrimental to the proper conduct of the business of the Lessee, and (2) that such grant or release will not impair the effective use or interfere with the operation of the Project and will not weaken, diminish or impair the security intended to be given by or under the Indenture. No grant or release effected under the provisions of this Section shall entitle the Lessee to any abatement or diminution of the rents payable under Section 5.3 hereof.

SECTION 8.7. Indemnification Covenants. (a) Lessee shall and agrees to indemnify and save the County and the

Trustee harmless against and from all claims by or on behalf of any person, firm or corporation arising from the conduct or management of, or from any work or thing done on, the Project during the Lease Term, and against and from all claims arising during the Lease Term from (i) any condition of the Project, (ii) any breach or default on the part of Lessee in the performance of any of its obligations under this Agreement, (iii) any act or negligence of Lessee or of any of its agents, contractors, servants, employee or licensees, or (iv) any act or negligence of any assignee or sub-lessee of Lessee. Lessee shall indemnify and save the County and the Trustee harmless from and against all costs and expenses incurred in or in connection with any such claim arising as aforesaid from (i), (ii), (iii) or (iv) supra, or in connection with any action or proceeding brought thereon, and upon notice from the County, or the Trustee, Lessee shall defend them or either of them in any such action or proceeding.

(b) Notwithstanding the fact that it is the intention of the parties that the County shall not incur pecuniary liability by reason of the terms of this Agreement, or the undertakings required of the County hereunder, by reason of the issuance of the Bonds, by reason of the execution of the Indenture, by reason of the the performance of any act requested of it by the Lessee, including all claims, liabilities or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if the County should incur any such pecuniary liability, then in such event the Lessee shall indemnify and hold harmless the County against all claims by or on behalf of any person, firm or corporation, arising out of the same, and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice from the County, the Lessee

shall defend the County in any such action or proceeding.

SECTION 8.8. Financial Statements. The Lessee agrees to have an annual audit made by its regular independent certified accountants and to furnish the Trustee and to the initial purchaser of the Bonds (within thirty days after receipt by the Lessee) with a balance sheet and statement of income and surplus showing the financial condition of the Lessee and its consolidated subsidiaries, if any, at the close of each fiscal year, and the results of operations of the Lessee and its consolidated subsidiaries, if any, for each fiscal year, accompanied by a certificate of opinion of said accountants; provided that, to the extent such information is filed with the Securities and Exchange Commission pursuant to applicable statutes and regulations, it need not be also furnished to the Trustee and initial purchaser of the Bonds.

ARTICLE IX

ASSIGNMENT, SUBLEASING, MORTGAGING AND SELLING: REDEMPTION: RENT PREPAYMENT AND ABATEMENT

SECTION 9.1. Assignment and Subleasing. This Agreement may be assigned, and the Project may be subleased as a whole or in part, by the Lessee without the necessity of obtaining the consent of either the County or the Trustee, subject, however, to each of the following conditions:

- (a) No assignment (other than pursuant to Section 8.3 hereof) or subleasing shall relieve the Lessee from primary liability for any of its obligations hereunder, and in the event of any such assignment or subleasing, the Lessee shall continue to remain primarily liable for payment of the rents specified in Section 5.3 hereof and for the payment, performance and observance of the other obligations and agreements on its part herein provided to be performed and observed by it.

(b) The assignee or sublessee shall assume in writing the obligations of the Lessee hereunder to the extent of the interest assigned or subleased.

(c) The Lessee shall, within thirty days after the delivery thereof, furnish or cause to be furnished to the County and to the Trustee a true and complete copy of each such assignment or sublease, as the case may be.

SECTION 9.2. Mortgage of Project by County. The County will mortgage the Project by the Indenture, and assign its interest in and pledge any moneys receivable under this Agreement (except payments made pursuant to Sections 5.5 and 8.7) pursuant to the Indenture, to the Trustee as security for payment of the principal of, premium, if any, and interest on the Bonds, but each such mortgage, assignment or pledge, shall be subject and subordinate to this Agreement.

SECTION 9.3. Restrictions on Sale of Project by County. The County agrees that, except as set forth in Section 9.2 hereof or other provisions of this Agreement or the Indenture, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the Project during the Lease Term.

SECTION 9.4. Redemption of Bonds. The County, at the request at any time of the Lessee and if the same are then callable, shall forthwith take all steps that may be necessary under the applicable redemption provisions of the Indenture to effect redemption of all or part of the then outstanding Bonds, as may be specified by the Lessee, on the earliest redemption date on which such redemption may be made under such applicable provisions. The County shall cooperate with the Lessee in effecting any purchase of Bonds to be delivered for credit against the sinking fund redemption obligation pursuant to Section 305 of the Indenture, if desired by the Lessee. The certificate of the County required

by Section 305 of the Indenture shall contain such information as is requested by the Lessee.

SECTION 9.5. Prepayment of Rents. There is expressly reserved to the Lessee the right, and the Lessee is authorized and permitted, at any time it may choose, to prepay all or any part of the rents payable under Section 5.3 hereof, and the County agrees that the Trustee may accept such prepayment of rents when the same are tendered by the Lessee. All rents so prepaid shall be credited on the rental payments specified in Section 5.3 hereof, in the order of their due dates, or, if requested by the Lessee, the County shall direct the Trustee to apply such rents to the purchase of Bonds in accordance with Section 306 of the Indenture.

SECTION 9.6. Lessee Entitled to Certain Rent Abatements if Bonds Paid Prior to Maturity. If at any time the aggregate moneys in the Bond Fund shall be sufficient to retire in accordance with the provisions of the Indenture all of the Bonds at the time outstanding, and to pay all fees and charges of the Trustee and any paying agents on the Bonds due or to become due through the date on which the last of the Bonds is retired, under circumstances not resulting in termination of the Lease Term, and if the Lessee is not at the time otherwise in default hereunder, the Lessee shall be entitled to use and occupy the Project from the date on which such aggregate moneys are in the hands of the Trustee to and including April 1, 1986, with no obligation to make the rental payments specified in Section 5.3 hereof during that interval (but otherwise on the terms and conditions hereof).

SECTION 9.7. Reference to Bonds Ineffective After Bonds Paid. Upon payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) and all fees and charges of the Trustee, all references in this Agreement to the Bonds and the Trustee shall be

ineffective and neither the Trustee nor the holders of any of the Bonds shall thereafter have any rights hereunder, saving and excepting those that shall have theretofore vested. For purposes of this Agreement the Bonds shall be deemed fully paid:

(a) If there is on deposit on the Bond Fund a total amount sufficient to pay the principal of all the then outstanding Bonds plus the interest due thereon until and at their respective maturities and provision for the payment of all Trustee's and paying agents' fees, accrued and to accrue has been made in a manner satisfactory to the Trustee and such paying agents, or

(b) If there have been irrevocably deposited with the Trustee (i) moneys sufficient to pay, redeem and retire all the then outstanding Bonds (including, without limitation, principal, premium, interest to maturity or earliest applicable redemption date, as the case may be, expenses of redemption and Trustee's and paying agents' fees), and (ii) evidence satisfactory to the Trustee that all redemption notices required by the Indenture have been duly given by the County or the Trustee has been irrevocably authorized to give such redemption notices.

ARTICLE X

EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1. Events of Default Defined. The following shall be "events of default" under this Agreement and the terms "event of default" or "default" shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) Failure by the Lessee to pay the rents required to be paid under Section 5.3 of this Agreement at the times specified therein and continuing for a period of ten days after notice by telegram, or if

telegraphic service is not available then after notice by mail given to the Lessee by either the Trustee or the County that the payment referred to in such notice has not been received.

(b) Failure by the Lessee to observe and perform any covenant, condition or agreement in this Agreement on the part of the Lessee to be observed or performed, other than as referred to in subsection (a) of this Section, for a period of thirty days after written notice, specifying such failure and requesting that it be remedied, given to the Lessee by the County or the Trustee, unless the County and the Trustee shall agree in writing to an extension of such time prior to its expiration (or in the case of any such default which cannot with due diligence be cured within such 30-day period, if Lessee shall fail to proceed promptly to cure the same and thereafter prosecute the curing of such default with due diligence, it being intended in connection with such a default not susceptible of being cured with due diligence within the 30 days that the time of Lessee within which to cure the same shall be extended for such period as may be necessary to complete the curing of the same with all due diligence).

(c) The dissolution or liquidation of the Lessee or the filing by the Lessee of a voluntary petition in bankruptcy, or failure by the Lessee promptly to lift any execution, garnishment or attachment of such consequence as will impair the ability of the Lessee to carry on its operations at the Project, or the commission by the Lessee of any act of bankruptcy, or adjudication of the Lessee as a bankrupt, or assignment by the Lessee for the

benefit of its creditors, or the entry by the Lessee into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Lessee in any proceeding for its reorganization instituted under the provisions of the general bankruptcy act, as amended, or under any similar act in any domestic or foreign jurisdiction which may now be in effect or hereafter enacted. The term "dissolution or liquidation of the Lessee", as used in this subsection, shall not be construed to include the cessation of the corporate existence of the Lessee resulting either from a merger or consolidation of the Lessee into or with another corporation or a dissolution of liquidation of the Lessee following a transfer of all or substantially all of its assets as an entirety, provided, that the conditions permitting such actions contained in Section 8.3 hereof shall have been met.

The foregoing provisions of this Section are subject to the following limitations: If by reason of force majeure the Lessee is unable in whole or in part to carry out the agreements of the Lessee on its part herein contained, other than the obligations on the part of the Lessee contained in Article V and Sections 6.3, 6.4 and 8.7 hereof, the Lessee shall not be deemed in default during the continuance of such inability. The term "force majeure" as used herein shall mean, without limitation, the following: acts of God; strikes, lockouts or other industrial disturbances; acts of public enemies; orders of any kind of the government of the United States or of South Carolina or any their departments, agencies, or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightning; earthquakes; fire; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions;

breakage or accident to machinery, transmission pipes or canals; partial or entire failure of utilities; or any other cause of event not reasonably within the control of the Lessee, it being agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the Lessee, and the Lessee shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course if, in the judgment of the Lessee, unfavorable to the Lessee.

SECTION 10.2. Remedies on Default. Whenever any event of default referred to in Section 10.1 hereof shall have happened and be subsisting, the County may take any one or more of the following remedial steps:

(a) The County or the Trustee as provided in the Indenture may, at its option, declare all installments of rent payable under Section 5.3 hereof for the remainder of the Lease Term to be immediately due and payable, whereupon the same shall become immediately due and payable.

(b) The County, with the prior written consent of the Trustee, may re-enter and take possession of the Project without terminating this Agreement, and sublease the Project for the account of rent and other amounts actually paid by such sublease in such subleasing and the rents and other amounts payable by the Lessee hereunder; provided, that in the case of an event of default referred to in Section 10.1(a) hereof, the County shall not be entitled to take such action until the eleventh day after the giving of notice as prescribed in Section 10.1(a).

(c) The County, with the prior written consent of

the Trustee, may terminate the Lease Term, exclude the Lessee from possession of the Project and use its best efforts to lease the Project to another for the account of the Lessee, holding the Lessee liable for all rent and other amounts payable by the Lessee hereunder; provided, that in the case of an event of default referred to in Section 10.1(a) hereof, the County shall not be entitled to take such action until the eleventh day after the giving of notice as prescribed by Section 10.1(a).

(d) In the event any of the Bonds shall at the time be outstanding and unpaid, the County may have access to and inspect, examine and make copies of the books and records and any and all accounts, similar data and income tax and other tax returns of the Lessee.

(e) The County may take whatever action at law or in equity may appear necessary or desirable to collect the rent and other amounts due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of the Lessee under this Agreement.

Any amounts collected pursuant to action taken under this Section shall be paid into the Bond Fund and applied in accordance with the provisions of the Indenture, or, if the Bonds have been fully paid (or provision for payment thereof has been made in accordance with the provisions of the Indenture), to the Lessee.

No action taken pursuant to this Section (including repossession of the Project or termination of the Lease Term) shall relieve the Lessee from the Lessee's obligations pursuant to Sections 5.3 and 10.2(a) hereof, all of which shall survive any such action, and the Lessor may take whatever action at law or in equity as may appear necessary and desirable to collect the

rent and other amounts then due and thereafter to become due and/or to enforce the performance and observance of any obligation, agreement or covenant of the Lessee hereunder.

SECTION 10.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the County is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the County to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. Such rights and remedies as are given the County hereunder shall also extend to the Trustee and the Trustee and the holders of the Bonds shall be deemed third party beneficiaries of all covenants and agreements herein contained.

SECTION 10.4. Agreement to Pay Attorneys' Fee and Expenses. In the event the Lessee should default under any of the provisions of this Agreement and the County or the Trustee should employ attorneys or incur other expenses for the collection of rent or the enforcement of the performance or observance of any obligation or agreement on the part of the Lessee herein contained, the Lessee agrees that it will on demand therefor pay to the County or the Trustee the reasonable fee of such attorneys and such other expenses so incurred by the County or the Trustee.

SECTION 10.5. No Additional Waiver Implied by One Waiver.

In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI

OPTIONS IN FAVOR OF LESSEE

SECTION 11.1. Options to Terminate. The Lessee shall have, and is hereby granted, the following options to terminate the Lease Term:

(a) At any time prior to full payment of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture), the Lessee may terminate the Lease Term by paying to the Trustee an amount which, when added to the amount on deposit in the Bond Fund, will be sufficient to pay, retire and redeem all the outstanding Bonds in accordance with the provisions of the Indenture (including, without limiting the generality of the foregoing, principal, interest to maturity or earliest applicable redemption date, as the case may be, premium, expenses of redemption and Trustee's and paying agent's fees and expenses), and in case of redemption making arrangements satisfactory to the Trustee for the giving of the required notice of redemption, and by paying to the County any and all sums then due to the County under this Agreement.

(b) At any time after full payment of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) and of any and all sums then due to the County under this

Agreement, the Lessee may terminate the Lease Term by giving the County notice in writing of such termination and such termination shall forthwith become effective.

SECTION 11.2. Option to Purchase Project Prior to Payment of the Bonds. The Lessee shall have, and is hereby granted, the option to purchase the Project prior to the full payment of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture), if any of the events set forth in the following clauses shall have occurred:

(a) The Building shall have been damaged or destroyed to such extent, as evidenced by a certificate of an Independent Engineer filed with the County and the Trustee, (i) that it cannot be reasonably restored within a period of six months to the condition thereof immediately preceding such damage or destruction, or (ii) that the Lessee is thereby prevented from carrying on its normal operations at the Project for a period of six months, or (iii) that that cost of restoration thereof would exceed by \$100,000 the Net Proceeds of insurance carried thereon pursuant to the requirements of Section 6.4(a) hereof.

(b) Title to, or the temporary use of, all or substantially all the Project, or such part thereof as as shall materially interfere, in the judgment of an Independent Engineer as evidenced by a certificate filed with the County and the Trustee, with the operation of the Project for the purpose for which the Project is designed, shall have been taken under the exercise of the power of eminent domain by any governmental authority (including such a taking or takings as results in the Lessee being thereby prevented from carrying on its normal operations at the Project for a period of six months).

(c) As a result of any changes in the Constitution of South Carolina or the Constitution of the United States of America or of legislative or administrative action (whether state or federal) or by final decree, judgment or order of any court or administrative body (whether state or federal) entered after the contest thereof by the Lessee in good faith, this Agreement shall have become void or unenforceable or impossible of performance in accordance with the intent and purposes of the parties as expressed in this Agreement, or unreasonable burdens or excessive liabilities shall have been imposed on the County or the Lessee in respect to the Project including without limitation federal, state or other ad valorem, property, income or other taxes not being imposed on the date of this Agreement.

To exercise such option, the Lessee shall, within ninety days following the event authorizing the exercise of such option, give written notice to the County, and to the Trustee if any of the Bonds shall then be unpaid, and shall specify therein the date of closing such purchase, which date shall be not less than forty-five nor more than ninety days from the date such notice is mailed, and in case of a redemption of the Bonds in accordance with the provisions of the Indenture, shall make arrangements satisfactory to the Trustee for the giving of the required notice of redemption. The purchase price payable by the Lessee in the event of its exercise of the option granted in this Section shall be the sum of the following:

(1) An amount of money which, when added to the amount then on deposit in the Bond Fund, will be sufficient to retire and redeem all the then outstanding Bonds on the applicable redemption date provided by the Indenture, including without limitation, principal, all

interest to accrue to said redemption date and redemption expense, plus

(2) an amount of money equal to the Trustee's and paying agents' fees and expenses under the Indenture accrued and to accrue until such final payment and redemption of the Bonds, plus

(3) the sum of one dollar, and any and all other sums then due to the County under this Agreement, for the Leased Land and Building.

In the event of the exercise of the option granted in this Section any Net Proceeds of insurance or condemnation shall be paid to the Lessee simultaneously with the conveyance prescribed by Section 11.4 hereof.

SECTION 11.3. Option to Purchase Unimproved Land. If no event of default under this Agreement shall have happened and then be continuing, the Lessee shall have, and is hereby granted the option to purchase any part of the Leased Land on which the Building is not located, but upon which transportation or utility facilities may be located, at any time and from time to time at and for a purchase price of \$_____ per acre provided that it furnishes the County with the following:

(a) A notice in writing containing (i) an adequate legal description of that portion of the Leased Land with respect to which such option is to be exercised, (ii) a statement that the Lessee intends to exercise its option to purchase such portion of the Leased Land on a date stated, which shall not be less than forty-five nor more than ninety days from the date of such notice, and (iii) a statement that the use to which the Lessee intends to devote such portion of the Leased Land will promote the continued industrial development of South Carolina.

(b) A certificate of an Independent Engineer who is acceptable to the Trustee, dated not more than ninety days prior to the date of the purchase and stating that, in the opinion of the person signing such certificate, (i) the portion of the Leased Land with respect to which the option is exercised is not needed for the operation of the Project for the purposes hereinabove stated, and (ii) the purchase will not impair the usefulness of the Project for the purposes set forth in Article II and will not destroy the means of ingress thereto and egress therefrom.

(c) An amount of money equal to the purchase price computed as provided in this Section.

The County agrees that upon receipt of the notice, certificate and money required in this Section to be furnished to it by the Lessee, the County will promptly deliver such money to the Trustee for deposit in the Bond Fund. In the event the Lessee shall exercise the option granted to it under this Section, the Lessee shall not be entitled to any abatement or diminution of the rents payable under Section 5.3, and if such option relates to Leased Land on which transportation or utility facilities are located, the County shall retain an easement to use such transportation or utility facilities to the extent necessary for the efficient operation of the Project for the purposes set forth in Article II.

SECTION 11.4. Conveyance on Exercise of Option to Purchase. At the closing of any purchase pursuant to any option to purchase granted herein, the County shall upon receipt of the purchase price deliver to the Lessee the following:

(a) If necessary, a release from the Trustee of the property with respect to which the option was exercised from the lien of the Indenture.

(b) Documents conveying to the Lessee good and marketable title to the property being purchased, as such property then exists, subject to the following: (i) those liens and encumbrances (if any) to which title to said property was subject when conveyed to the County; (ii) those liens and encumbrances created by the Lessee or to the creation or suffering of which the Lessee consented; (iii) those liens and encumbrances resulting from the failure of the Lessee to perform or observe any of the agreements on its part contained in this Agreement; (iv) Permitted Encumbrances other than the Indenture and this Agreement; and (v) if the option is exercised pursuant to the provisions of Section 11.2(b) hereof, the rights and title of the condemning authority.

SECTION 11.5. Relative Position of Options and Indenture.

The options respectively granted to the Lessee in this Article except under Section 11.3 hereof shall be and remain prior and superior to the Indenture and may be exercised whether or not the Lessee is in default hereunder, provided that no such default will result in nonfulfillment of any condition to the right of the Lessee to obtain a conveyance of the Project by making the payments required hereunder.

ARTICLE XII

ADDITIONAL OBLIGATION OF LESSEE AND COUNTY

SECTION 12.1. Obligation to Purchase Project. The Lessee hereby agrees to purchase, and the County hereby agrees to sell, the Project for one dollar, and any and all sums then due to the County under this Agreement, at the expiration or sooner termination of the Lease Term following full payment of the Bonds, or provision for payment thereof having been made, in accordance with the provisions of the Indenture. At the closing of the

foregoing purchase, the County shall deliver to the Lessee the documents referred to in Section 11.4 hereof. The right to purchase granted in this Section shall be and remain prior and superior to the Indenture and may be exercised whether or not the Lessee is in default hereunder provided that no such default will result in nonfulfillment of any condition to this right.

ARTICLE XIII

MISCELLANEOUS

SECTION 13.1. Quiet Enjoyment. The County agrees so long as the Lessee shall fully and punctually pay all of the rents and other amounts provided to be paid hereunder by the Lessee, and shall fully and punctually perform all of its other covenants and agreements hereunder, that the Lessee shall peaceably and quietly have, hold and enjoy the Project during the Lease Term.

SECTION 13.2. Surrender of Project. Except as otherwise provided in this Agreement at the expiration or sooner termination of the Lease Term, the Lessee agrees to surrender possession of the Project peaceably and promptly to the County in as good condition as at the commencement of the Lease Term, ordinary wear, tear and obsolescence only excepted.

SECTION 13.3. Notices. All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when mailed by registered mail, postage prepaid, or given when dispatched by telegram when telegraphic notice is permitted by express provisions of this Agreement, addressed as follows: if to the County, to the County Board of Commissioners of Spartanburg County, Spartanburg County Courthouse, Spartanburg, South Carolina; if to the Lessee, at Butte Knitting Mills, P. O. Box 4088, Spartanburg, South Carolina 29303, Attention: Mr. Lachlan L. Hyatt; with a copy to the Lessee at 1411 Broadway, New York, N. Y., Attention: Mr. Bernard Wulkan; if to the Trustee, at Birmingham, Alabama, Attention: Corporate Trust

Department. The County, the Lessee, and the Trustee may, by notice given to all parties to this Agreement and the Indenture, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent.

SECTION 13.4. Recording and Filing.

(a) This Agreement as originally executed shall be recorded prior to the recordation of the Indenture. It shall be recorded and indexed as a miscellaneous conveyance and as a security agreement in the Office of the R. M. C. for Spartanburg County, South Carolina, or in such other office as may at the time be provided by law as the proper place for recordation thereof. The security interest of the County created herein as to any personal property, equipment and fixtures forming a part of the Project shall be perfected by the filing of financing statements which fully comply with the South Carolina Uniform Commerical Code--Secured Transactions, in the said R. M. C. Office and in the Office of the Secretary of State in the City of Columbia, S. C. The parties further agree that all necessary continuation statements shall be filed within the time prescribed by the South Carolina Uniform Commerical Code--Secured Transactions, in order to continue the security interest created by this Agreement, to the end that the rights of the holders of the Bonds and the Trustee in the Project shall be fully preserved as against creditors of, or purchasers for value from, the County or the Lessee.

(b) The deed conveying the Leased Land to the County, this Agreement and the Indenture may be recorded prior to

the delivery of the Bonds. If subsequent to such recording the Bonds shall not be delivered on or before the date prescribed in Section 4.2, or such later date as the Lessee may agree upon in writing, then the said deed, this Agreement and the Indenture shall be of no force and effect and in such event the County and the Lessee do hereby mutually release and discharge each other from any and all claims of any character which either may have against the other by reason of or arising from a failure to deliver the Bonds; and the County shall transfer and reconvey to the Lessee or its designee all properties conveyed to the County by the said deed and for the same consideration paid by the County less any advances made therefor by the Lessee. Both parties shall execute such further instruments as may be necessary to fully implement the provisions of this subsection (b) of Section 13.4.

SECTION 13.5. Other Instruments.

(a) The Lessee covenants to deliver to the County and the Trustee within 60 days after October 1, 1971, after every October 1 thereafter to the Completion Date, after the completion Date, and after the close of each fiscal year of the Lessee following the Completion Date, a description of the Project, on such October 1, Completion Date, or such last day of a fiscal year, as appropriate, if the Project is not adequately described in the granting clauses of the Indenture as then supplemented, and in the demising clauses of this Agreement as then amended. Such description shall be sufficiently detailed so as to enable counsel to render the opinion referred to in clause (4) of the next succeeding sentence. Within 30 days after delivery of such description the lessee covenants that it will:

(1) prepare a supplement to the Indenture and an amendment to this Agreement, each containing an adequate and full description of the Project;

(2) deliver the supplement to the Indenture to the Trustee and the County and the supplement to this Agreement to the County, for execution;

(3) deliver the fully executed supplement to the Indenture and the fully executed supplement to this Agreement to the Trustee for recording and filing or re-recording or re-filing in all places required by the opinion of counsel referred to in subsection (a)(4) of this Section 13.5; and

(4) deliver to the Trustee a written opinion of counsel (who may be counsel for the County or the Lessee), addressed to the Trustee that the description of the Mortgaged Property (as defined in Article I of the Indenture) contained in the granting clauses of the Indenture, as supplemented, and the description of the Project contained in the demising clauses of this Agreement, as supplemented, are adequate for all purposes thereof and hereof and in the opinion given with respect to the Completion Date, that such descriptions include descriptions of the entire Project; that the Indenture, as supplemented, constitutes a valid first mortgage lien on the interest of the County in the said Mortgaged Property, subject only to Permitted Encumbrances other than the Indenture; that the Indenture, as supplemented, this Agreement, as supplemented, and all financing statements, continuation statements, notices and other instruments required by applicable law have been recorded or filed or re-recorded or re-filed in such manner and in such places required by law in order

fully to preserve and protect the rights of the holders or owners of the Bonds and the Trustee in the Project (and in the assignment to the Trustee of the rents payable under this Agreement) as against creditors of, or purchasers for value from, the County or the Lessee.

(b) The Lessee, the County and the Trustee shall execute and deliver all instruments and shall furnish all information and evidence deemed necessary or advisable by such counsel in order to enable him to render the opinion referred to in subsection (a)(4) of this Section 13.5. The Trustee shall file and record and re-record or cause to be filed and recorded and re-recorded all instruments required to be filed and recorded and re-recorded pursuant to the opinion of such counsel and shall continue or cause to be continued the liens of such instruments for so long as the Bonds shall be outstanding, except as otherwise in this Agreement required.

SECTION 13.6. Binding Effect. This Agreement shall inure to the benefit of and shall be binding upon the County, the Lessee and their respective successors and assigns, subject, however, to the limitations contained in Sections 8.3, 9.1, 9.2 and 9.3 hereof.

SECTION 13.7. Severability. In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

SECTION 13.8. Amounts Remaining in Bond Fund. It is agreed by the parties hereto that any amounts remaining in the Bond Fund upon expiration or sooner termination of the Lease Term, as provided in this Agreement, after payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) and the fees,

charges and expenses of the Trustee and paying agents in accordance with the Indenture, shall belong to and be paid to the Lessee by the Trustee as overpayment of rents.

SECTION 13.9. Amendments, Changes and Modifications.

This Agreement may not be amended, changed, modified, altered or terminated without in each instance the prior written consent of the Trustee.

SECTION 13.10. Net Lease. This Agreement shall be deemed and construed to be a "net lease", and the Lessee shall pay absolutely net during the Lease Term the rent and all other payments required hereunder, free of any deductions, without abatement, diminution or set-off other than those herein expressly provided.

SECTION 13.11. Tax-Exempt Status of Bonds. The Lessee covenants that the proceeds of the Bonds are to be used primarily with respect to facilities to be located in Spartanburg County, South Carolina; that the Lessee will be the principal user of the facilities to be acquired and constructed with the proceeds of the Bonds within the meaning of Section 103(c)(6) of the Internal Revenue Code; and that there are no outstanding obligations of any state, territory or possession of the United States, or any political subdivision of the foregoing or of the District of Columbia the proceeds of which have been or are to be used primarily with respect to facilities located in Spartanburg County, South Carolina, and which are to be used primarily by the Lessee (including any person related to the Lessee within the meaning of Section 103(c)(6)(C) of the Internal Revenue Code) other than the Bonds.

SECTION 13.12. Execution of Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 13.13. Law Governing Construction of Agreement. This Agreement is prepared and entered into with the intention that the law of the State of South Carolina shall govern its construction.

SPARTANBURG COUNTY

FIRST MORTGAGE INDUSTRIAL REVENUE BOND, SERIES 1971

(JONATHAN LOGAN, INC. -LESSEE)

Number _____ \$5,000.00

KNOW ALL MEN BY THESE PRESENTS that Spartanburg County, a body politic and corporate, and a political subdivision of the State of South Carolina (hereinafter called the "County"), for value received promises to pay, but only from the source and as hereinafter provided, to bearer, or, if this Bond be registered, to the registered holder hereof, on April 1, 19____, the principal sum of Five Thousand Dollars and in like manner to pay interest on said sum from date hereof at the rate of _____ per centum (____%) per annum on October 1, 1971, and semi-annually thereafter on April 1, and October 1 of each year until said principal sum is paid, except as the provisions hereinafter set forth with respect to redemption prior to maturity may become applicable hereto, principal of, premium, if any, and interest on this Bond being payable in lawful money of the United States of America at the principal office of Birmingham Trust National Bank, in the City of Birmingham, State of Alabama, or its successor in trust.

This Bond is one of an authorized issue of Bonds limited to the aggregate principal amount of \$1,000,000 issued for the purpose of acquiring new industrial facilities for the shipping and distribution of garments, and leasing the same to Jonathan Logan, Inc., a Delaware corporation (hereinafter referred to as the "Lessee") (the land and buildings comprising such facilities being hereinafter called the "Project") and paying necessary

expenses incidental thereto so as to thereby promote industry and develop trade in South Carolina. Said Bonds are issued under and are to be equally and ratably secured and entitled to the protection given by a Trust Indenture (hereinafter called the "Indenture"), dated as of April 1, 1971, duly executed and delivered by the County to Birmingham Trust National Bank, as Trustee (the term "Trustee" where used herein referring collectively to said Trustee or its successors in said trust). The Project has been leased to the Lessee under and pursuant to a Lease Agreement between the County and the Lessee dated as of April 1, 1971 (herein referred to as the "Lease Agreement"). Under the Lease Agreement the Lessee must pay to the County such rentals as will be fully sufficient to pay the principal of, premiums, if any, and interest on the Bonds as the same mature and become due and, under the Lease Agreement it is the obligation of the Lessee to pay the cost of maintaining the Project in good repair and to keep it properly insured. Copies of the Indenture and the Lease Agreement are on file at the principal office of the Trustee in the City of Birmingham, Alabama, and are recorded in the office of the R. M. C. for Spartanburg County, South Carolina, and reference is made to the Indenture and the Lease Agreement for a description of the security, the provisions, among others, with respect to the nature and extent of the security, the charging and collection of rentals for the Project, the rights and remedies of the holders of the Bonds and the coupons appertaining thereto, the rights, duties and obligations of the County, the Lessee, and the Trustee, and the terms upon which the Bonds are issued and secured.

This Bond and appurtenant coupons are fully negotiable and shall pass by delivery, but this Bond may be registered as

to principal only on the registration books of the County in said principal office of the Trustee as Bond Registrar, upon presentation hereof at such office and the notation of such registration endorsed hereon by the Bond Registrar, and this Bond may thereafter be transferred on such books at the written request of the registered holder or by his legal representative, evidence of such transfer to be in like manner endorsed hereon. Such transfer may be to bearer, and thereby transferability by delivery shall be restored, subject, however, to successive registrations and transfers as before. The principal of this Bond, if registered, unless registered to bearer, shall be payable only to or upon the order of the registered holder or his legal representative. Interest accruing on this Bond will be paid only on presentation and surrender of the attached interest coupons as they respectively become due, and registration of this Bond as to principal as aforesaid will not affect the transferability by delivery of such coupons; provided, that if upon registration of this Bond, or at any time thereafter while this Bond be registered in the name of the holder, the unmatured coupons attached evidencing interest to be thereafter paid hereon shall be surrendered to said Bond Registrar, a statement to that effect will be endorsed hereon by the Bond Registrar and thereafter interest evidenced by such surrendered coupons will be paid by check or draft by the Bond Registrar at the times provided herein to the registered holder of this Bond by mail to the address shown on the registration books. This Bond when so converted into a Bond registered as to both principal and interest may be reconverted into a coupon Bond at the written request of the registered holder and upon presentation at the office of said Bond Registrar. Upon such reconversion the coupons representing the interest to become

due thereafter to the date of maturity will again be attached to this Bond and a statement will be endorsed thereon by the Bond Registrar in the registration blank on the back of this Bond as to whether it is then registered as to principal alone or payable to bearer.

The Bonds of this issue are noncallable for redemption prior to April 1, 1978, except in the event of exercise by the Lessee of its option to purchase the Project as provided in Section 11.2 of the Lease Agreement. If called for redemption as a result of the Lessee's exercise of its option to purchase the Project as provided in Section 11.2 of the Lease Agreement, the Bonds shall be subject to redemption by the County at any time, in whole and not in part, at the principal amount thereof, together with accrued interest to the redemption date, plus a redemption premium equal to 2% of the principal amount of each Bond redeemed.

Bonds maturing on April 1, 1979, and thereafter, are also subject to redemption by the County prior to maturity on any interest payment date on or after April 1, 1978, in whole or in part, but if in part, in inverse numerical order, at the principal amount thereof, together with accrued interest to the redemption date, plus a redemption premium equal to one year's interest on each Bond redeemed.

In the event any of the Bonds are called for redemption as aforesaid, notice thereof specifying the Bonds to be redeemed shall be given by publication not less than thirty days and not more than sixty days prior to the redemption date in a newspaper or financial journal of general circulation published in the City of New York, New York, and in the case of the redemption of registered Bonds, upon mailing a copy of the redemption notice

by first class mail at least thirty days prior to the date fixed for redemption to the holder of each registered Bond to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of Bonds. If all of the Bonds to be redeemed are registered Bonds, notice by mailing given by first class mail to the holder or holders thereof, at the addresses shown on the registration books, not less than thirty days prior to the date fixed for redemption as aforesaid shall be sufficient, and published notice of the call for redemption need not be given, and failure duly to give such notice by mailing, or any defect in the notice, to the holder of any registered Bond designated for redemption shall not affect the validity of the proceedings for the redemption of any other Bond. All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit with the Trustee and shall no longer be protected by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture. If, because of the temporary or permanent suspension of the publication or general circulation of any newspaper or financial journal or for any other reason, it is impossible or impractical to publish such notice of call for redemption in the manner herein provided, then such publication in lieu thereof as shall be made with the approval of the Trustee shall constitute a sufficient publication of notice.

This Bond and the issue of which it forms a part are issued pursuant to the authorization of and for the purposes prescribed by Act No. 103 of the Acts and Joint Resolutions enacted at the 1967 Session of the General Assembly of the State of South

Carolina, approved by the Governor of South Carolina on March 21, 1967, and pursuant to resolutions duly adopted by the Board of County Commissioners of Spartanburg County and with the approval of the State Budget and Control Board of South Carolina. This Bond and the issue of which it forms a part and the interest coupons appertaining hereto are limited obligations of the County and are payable solely out of the lease rentals, revenues and receipts (excluding amounts paid by the Lessee pursuant to Sections 5.5 or 8.7 of the Lease Agreement) derived from the leasing or sale of the Project, which has been financed through the issuance of the Bonds and leased to the Lessee.

This Bond and the interest coupons appertaining hereto, are not and shall never constitute an indebtedness of the County within the meaning of any state constitutional provision or statutory limitation and shall never constitute nor give rise to a pecuniary liability of the County or a charge against its general credit or taxing powers.

Pursuant to the Lease Agreement, rental payments sufficient for the prompt payment when due of the principal of, premium, if any, and interest on the Bonds are to be paid to the Trustee for the account of the County and deposited in a special account created by the County and designated "Spartanburg County Industrial Revenue Bond Fund--Jonathan Logan Project" and have been pledged for that purpose, and in addition the Project has been subjected to the lien of the Indenture to secure payment of such principal and interest and premium.

The holder of this Bond and the bearers of the coupons appertaining hereto shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend

any suit or other proceedings with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all of the Bonds issued under the Indenture and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of the Indenture, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Indenture.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law; and that the issuance of this Bond and the issue of which it forms a part, together with all other obligations of the County, does not exceed or violate any constitutional or statutory limitation.

No Bond and no coupon appertaining to any Bond shall be valid or obligatory' for any purpose unless and until such certificate of authentication shall have been duly executed by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized signature of the Trustee, but it shall not be necessary that the same person sign the certificate of authentication on all of the Bonds issued hereunder. Before authenticating or delivering any Bonds, the Trustee shall detach and cancel all matured coupons, if any, appertaining thereto, and such cancelled coupons shall be cremated by the Trustee.

SECTION 205. Form of Bonds. The Bonds issued under this Indenture and the coupons attached thereto shall be substantially in the form hereinabove set forth with such appropriate

variations, omissions and insertions as are permitted or required by this Indenture.

SECTION 206. Delivery of Bonds. Prior to the authentication by the Trustee of any of the Bonds there shall be filed with the Trustee:

1. A copy, duly certified by the Secretary of the County Board, of the resolution of the County Board authorizing the execution and delivery of the Lease Agreement.
2. An original executed counterpart of the Lease Agreement.
3. A copy, duly certified by the Secretary of the County Board, of the resolution of the County Board authorizing the execution and delivery of this Indenture and the issuance of the \$1,000,000 aggregate principal amount of the Bonds.
4. The written opinion of counsel for the County, or other counsel satisfactory to the Trustee, expressing the conclusion that upon payment of the purchase price of the land described in Exhibit A attached hereto and acceptance of the instruments of conveyance, all as theretofore agreed upon, the County will have title free and clear of liens and encumbrances upon said land (except for Permitted Encumbrances as defined in the Lease Agreement).
5. A title insurance policy (or an appropriate binder) meeting the requirements of Section 3.3 of the Lease Agreement.

6. A request and authorization to the Trustee on behalf of the County Board and signed by the Chairman and Secretary of the County Board to authenticate and deliver the Bonds in the aggregate principal amount of \$1,000,000 to the purchasers therein indentified upon payment to the Trustee but for account of the County of a sum specified in such request and authorization plus accrued interest thereon to the date of delivery. Such proceeds shall be paid over to the Trustee and deposited to the credit of the Bond Fund and Construction Fund as hereinafter provided under Article VI hereof.

SECTION 207. Mutilated, Lost, Stolen or Destroyed Bonds or Coupons. In the event any Bond is mutilated, lost, stolen or destroyed, the County may execute and the Trustee may authenticate a new Bond of like date, maturity and denomination as that mutilated, lost, stolen or destroyed, which new Bond shall have attached thereto coupons corresponding in all respects to those (if any) on the Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond together with all coupons (if any) appertaining thereto shall first be surrendered to the County, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the County and the Trustee evidence of such loss, theft or destruction satisfactory to the County and the Trustee, together with indemnity satisfactory to them. In the event any such Bond or coupon shall have matured, instead of issuing a duplicate Bond or coupon the County may pay the same without surrender thereof. The County and the Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses in this connection.

SECTION 208. Registration of Bonds; Persons Treated

As Owners. Each of the Bonds issued hereunder shall be fully negotiable and pass by delivery but shall be subject to registration (as hereinafter provided) as to principal only or as to both principal and interest in the name of the owner on registration books to be provided for that purpose by the County at said principal office of the Trustee, as Bond Registrar. Upon presentation at said office any of the Bonds may be registered as to principal only and such registration shall be evidenced by notation to that effect by the Bond Registrar in the registration blank on the reverse side thereof, after which no transfer thereof shall be valid unless made at the written request of the registered owner or his duly authorized attorney on said registration books and similarly endorsed thereon. Such registered Bonds may be thus transferred to bearer whereupon transferability by delivery shall be restored but the Bonds may again, from time to time, be registered or transferred to bearer as before. Such registration of any of the Bonds shall not affect the transferability by delivery only of the coupons thereunto appertaining, provided that if upon registration of any such Bond, or at any time thereafter while registered in the name of the owner, the unmatured coupons attached evidencing interest to be thereafter paid thereon shall be surrendered to said Bond Registrar a statement to that effect will be endorsed thereon and thereafter interest evidenced by such surrendered coupons will be paid by check or draft at the times provided therein to the registered owner by mail to the address shown on the registration books. Each of the Bonds when converted as aforesaid into a Bond registered as to both principal and interest may be reconverted into a coupon Bond at the written request of the registered owner or his duly authorized attorney and upon presentation at the office of said

Bond Registrar. Upon such reconversion the coupons representing the interest to become due thereafter to the date of maturity will be attached to the Bond and a statement will be endorsed thereon by said Bond Registrar in the registration blank on the back of the Bond as to whether it is then registered as to principal alone or payable to bearer. No charge shall be made to any Bondholder for the privilege of registration and transfer hereinabove granted, but any bondholder requesting any such registration or transfer shall pay any tax or other governmental charge required to be paid with respect thereto. As to any Bond registered as to principal, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of any such Bond shall be made only to or upon the order of the registered owner thereof, or his duly authorized attorney, and neither the County, the Trustee, any paying agent nor the Bond Registrar shall be affected by any notice to the contrary, but such registration may be changed as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The County, the Trustee, the Bond Registrar and any paying agent may deem and treat the bearer of any Bond which shall not at the time be registered as to principal (except to bearer), and the bearer of any coupon appertaining to any Bond, whether such Bond be registered as to principal or not, as the absolute owner of such Bond or coupon, as the case may be, whether such Bond or coupon shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the County, the Bond Registrar, any paying agent nor the Trustee shall be affected by any notice to the contrary.

ARTICLE III

REDEMPTION OF BONDS BEFORE MATURITY

SECTION 301. Redemption Dates and Prices. The Bonds are noncallable for redemption prior to April 1, 1978, except in the event of exercise by the Lessee of its options to purchase the Project as provided in Section 11.2 of the Lease Agreement. If called for redemption as a result of Lessee's exercise of its options to purchase the Project as provided in Section 11.2 of the Lease Agreement, the Bonds shall be subject to redemption by the County at any time, in whole and not in part, at the principal amount thereof, together with accrued interest to the redemption date, plus a redemption premium equal to 2% of the principal amount of each Bond redeemed.

Bonds maturing on April 1, 1979, and thereafter, are also subject to redemption by the County prior to maturity on any interest payment date on or after April 1, 1978, in whole or in part, but if in part, in inverse numerical order, at the principal amount thereof, together with accrued interest to the redemption date, plus a premium equal to one year's interest on each Bond redeemed.

SECTION 302. Notice of Redemption. In the event any of the Bonds are called for redemption, the Trustee shall give notice, in the name of the County, of the redemption of such Bonds, which notice shall specify the maturities of the Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Bonds of any maturity are to be redeemed, the numbers of such Bonds so to be redeemed. Such notice shall be given by publication at least once not less than 30 days nor more than 60 days prior to the redemption date in a newspaper

or financial journal of general circulation published in the City of New York, New York, and in the case of the redemption of fully registered Bonds upon mailing a copy of the redemption notice by first class mail at least thirty days prior to the date fixed for redemption to the holder of each registered Bond to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing or any defect therein, shall not affect the validity of any proceedings for the redemption of Bonds. If all of the Bonds to be redeemed are registered Bonds, notice by mailing given by first class mail to the holder or holders thereof, at the addresses shown on the registration books, not less than thirty days prior to the date fixed for redemption as aforesaid shall be sufficient and published notice of the call for redemption need not be given and failure duly to give such notice by mailing, or any defect in the notice, to the holder of any registered Bond designated for redemption shall not affect the validity of the proceedings for the redemption of any other Bond. All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit with the Trustee and shall no longer be protected by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture. If, because of the temporary or permanent suspension of the publication or general circulation of any newspaper or financial journal or for any other reason, it is impossible or impracticable to publish such notice of call for redemption in the manner herein provided, then such publication in lieu thereof as shall be made with the approval of the Trustee shall constitute a sufficient publication of notice.

SECTION 303. Cancellation. All Bonds which have been

redeemed shall be cancelled and cremated by the Trustee together with the unmatured coupons appertaining thereto and shall not be reissued and a counterpart of the certificate of cremation evidencing such cremation shall be furnished by the Trustee to the County and the Lessee.

SECTION 304. Unpaid Coupons. All unpaid coupons which appertain to Bonds so called for redemption and which shall have become payable on or prior to the date fixed for redemption shall continue to be payable to the bearers thereof severally and respectively upon the presentation and surrender of such coupons.

SECTION 305. Purchase of Bonds. The Trustee shall, if and to the extent practicable, purchase Bonds at the written direction of the County upon request of the Lessee at such time, in such manner and at such price as may be specified by the Lessee. The Trustee may so purchase Bonds with any moneys then held by the Trustee and available for the redemption or purchase of Bonds in excess of any amount set aside for payment of Bonds called for redemption; provided, that any limitations or restrictions on such redemption or purchase contained in the Lease Agreement or this Indenture shall be complied with. The expenses of such purchase shall be deemed an expense of the Trustee under Section 1102.

ARTICLE IV

GENERAL COVENANTS

SECTION 401. Condition of County's Obligation; Payment of Principal and Interest. Each and every covenant herein made, including all covenants made by the various sections of this Article IV, is predicated upon the condition that any obligation for the payment of money incurred by the County shall not create a pecuniary liability of the County or a charge upon its general

credit or against its taxing powers, but shall be payable solely from the lease rentals, revenues and receipts derived from or in connection with the Project, including all moneys received under the Lease Agreement (except amounts paid pursuant to Section 5.5 or 8.7 of the Lease Agreement) which are required to be set apart and transferred to the Bond Fund, which lease rentals, revenues and receipts are hereby specifically pledged to the payment thereof in the manner and to the extent in this Indenture specified and nothing in the Bonds or coupons or in this Indenture shall be considered as pledging any other funds or assets of the County.

The County covenants that it will promptly pay the principal of, including any applicable redemption premiums, and interest on every Bond issued under this Indenture at the place, on the dates and in the manner provided herein and in said Bonds, and in the coupons appertaining thereto according to the true intent and meaning thereof.

SECTION 402. Performance of Covenants; Authority of County. The County covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings pertaining thereto. The County covenants that it is duly authorized under the Constitution and laws of the State of South Carolina, to issue the Bonds authorized hereby and to execute this Indenture, to convey the property described in and conveyed hereby and to pledge the lease rentals, revenues and receipts hereby pledged in the manner and to the extent herein set forth; that all action on its part for the issuance of the

Bonds and the execution and delivery of this Indenture has been duly and effectively taken, and that the Bonds in the hands of the holders and owners thereof and the coupons appertaining thereto in the hands of the bearers thereof are and will be valid and enforceable obligations of the County according to the import thereof.

SECTION 403. Ownership; Instruments of Further Assurance.

The County covenants that it lawfully owns and is lawfully possessed of the land described in Exhibit A attached hereto and that it has good and indefeasible title and estate therein (except for Permitted Encumbrances as defined in the Lease Agreement), and that it will defend the title to the Project and every part thereof to the Trustee, for the benefit of the holders and owners of the Bonds and the bearers of the coupons appertaining thereto against the claims and demands of all persons whomsoever. The County covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all and singular the property herein described and the lease rentals, revenues and receipts pledged hereby to the payment of the principal of and interest and premium, if any, on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien hereof shall ipso facto, and without any further conveyance, assignment or act on the part of the County or the Trustee, become and be subject to the lien of this Indenture as fully and completely as though specifically described herein, but nothing in this sentence contained shall be deemed to modify

or change the obligations of the County under this Section 403. The County covenants and agrees that, except as herein and in the Lease Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the Project or the lease rentals, revenues and receipts therefrom or of its rights under the Lease Agreement.

SECTION 404. Payment of Taxes, Charges, Etc. Pursuant to the provisions of Section 6.3 of the Lease Agreement the Lessee has agreed to pay all lawful taxes, assessments and charges at any time levied or assessed upon or against the Project, or any part thereof, failure to pay which might impair or prejudice the lien and priority of this Indenture; provided, however, that nothing contained in this Section 404 shall require the payment of any such taxes, assessments or charges if the same are not required to be paid under the provisions of Section 6.3 of the Lease Agreement.

SECTION 405. Maintenance and Repair. Pursuant to the provisions of Section 6.1 of the Lease Agreement the Lessee has agreed at its own expense to cause the Project to be kept in as reasonably safe condition as its operations shall permit, and that it will from time to time cause to be made all needed repairs so that the Project shall at all times be kept in good repair and in good operating condition, and that the Lessee may, at its own expense, make from time to time additions, modifications and improvements to the Project under the terms and conditions set forth in Section 6.1 of the Lease Agreement.

SECTION 406. Inspection of Project Books. The County covenants and agrees that all books and documents in its possession relating to the Project and the lease rentals, revenues

and receipts derived from the Project shall at all times be open to inspection by such accountants or other agencies as the Trustee may from time to time designate.

SECTION 407. Rights Under Lease Agreement. The Lease Agreement, a duly executed counterpart of which has been filed with the Trustee, sets forth the covenants and obligations of the County and the Lessee including a provision that subsequent to the initial issuance of the Bonds and prior to their payment in full, or provision for payment thereof in accordance with the provisions hereof, the Lease Agreement may not be effectively amended, changed, modified, altered or terminated (other than as provided therein) without the written consent of the Trustee and reference is hereby made to the Lease Agreement for a detailed statement of said covenants and obligations of the Lessee under the Lease Agreement, and the County agrees that the Trustee in its name or in the name of the County may enforce all rights of the County and all obligations of the Lessee under and pursuant to the Lease Agreement for and on behalf of the Bondholders whether or not the County is in default hereunder.

SECTION 408. List of Bondholders. To the extent that such information shall be made known to the County under the terms of this Section 408, it will keep on file at the corporate trust office of the Trustee a list of names and addresses of the last known holders of all Bonds payable to bearer and believed to be held by each of such last known holders. Any Bondholder may request that his name and address be placed on said list by filing a written request with the County or with the Trustee, which request shall include a statement of the principal amount of Bonds held by such holder and the numbers of such Bonds. The Trustee shall be under no responsibility with regard to the accuracy of said

At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the Lessee or by holders and/or owners (or a designated representative thereof) of twenty-five percent or more in principal amount of Bonds then outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

ARTICLE V

REVENUES AND FUNDS

SECTION 501. Source of Payment of Bonds. The Bonds herein authorized and all payments by the County hereunder are not general obligations of the County but are limited obligations payable solely from the lease rentals, revenues and receipts

derived from the Project and as authorized and provided in this Indenture.

The Project has been leased under the Lease Agreement and the rental payments provided for in Section 5.3 of the Lease Agreement are to be remitted directly to the Trustee for the account of the County and deposited in the Bond Fund. Said rental payments are sufficient in amount to pay the principal of, premium, if any, and interest on the Bonds, and the entire amount of lease rentals, revenues and receipts from said Lease Agreement (except amounts paid by the Lessee to local taxing authorities in lieu of taxes pursuant to Section 5.5 and amounts paid pursuant to Section 8.7 of the Lease Agreement) are pledged to the payment of the principal of, premium, if any, and interest on the Bonds. The County hereby covenants and agrees that it will not create any lien upon said lease rentals, revenues and receipts or the Project other than the lien hereby created.

SECTION 502. Creation of the Bond Fund. There is hereby created by the County and ordered established with the Trustee a trust fund to be designated "Spartanburg County Industrial Revenue Bond Fund-Jonathan Logan Project" (which is sometimes referred to herein as the "Bond Fund"), which shall be used to pay the principal of, premium, if any, and interest on the Bonds.

SECTION 503. Payments into the Bond Fund. There shall be deposited into the Bond Fund all accrued interest derived from the sale of the Bonds. In addition, there shall be deposited into the Bond Fund, as and when received (a) any amount remaining in the Construction Fund to the extent provided in Section 4.3(k) of the Lease Agreement except as otherwise directed pursuant to said Section 4.3(k); (b) all rental payments specified in Section 5.3 of the Lease Agreement; and (c) all other moneys received by the Trustee under and pursuant to any of the provisions

of the Lease Agreement when accompanied by directions by Lessee that such moneys are to be paid into the Bond Fund. The County hereby covenants and agrees that so long as any of the Bonds issued hereunder are outstanding it will deposit, or cause to be deposited, in the Bond Fund for its account sufficient sums from lease rentals, revenues and receipts derived from the Project promptly to meet and pay the principal of, interest and premium, if any, on the Bonds as the same become due and payable and to this end the County covenants and agrees that, so long as any Bonds issued hereunder are outstanding, it will cause the Project to be continuously and efficiently leased as a revenue and income producing undertaking, and that, should there be a default under the Lease Agreement with the result that the right of possession of the Project under the Lease Agreement is returned to the County, the County shall fully cooperate with the Trustee and with the Bondholders to the end of fully protecting the rights and security of the Bondholders and the bearers of coupons appertaining to the Bonds and shall diligently proceed in good faith and use its best effort to secure another tenant for the premises to the end that at all times sufficient lease rentals, revenues and receipts will be derived from the Project promptly to meet and pay the principal of, interest and premium, if any, on the Bonds as the same become due and payable, as well as covering the cost of maintaining and insuring the Project. Nothing herein shall be construed as requiring the County to operate the Project or to use any funds or revenues from any source other than lease rentals, revenues and receipts derived from the Project.

SECTION 504. Use of Moneys in the Bond Fund. Except as provided in Section 510 hereof, moneys in the Bond Fund shall be used solely for the payment of the principal of, and interest

on, and premium, if any, on the Bonds and for the redemption of the Bonds at or prior to maturity. No part of said rental payments in the Bond Fund shall be used to redeem, prior to maturity, a part of the Bonds outstanding; provided, that whenever the amount in the Bond Fund from any source whatsoever is sufficient to redeem all of the Bonds outstanding hereunder and to pay interest to accrue thereon prior to such redemption, the County covenants and agrees to take and cause to be taken the necessary steps to redeem all of said Bonds on the next succeeding redemption date for which the required redemption notice may be given; and provided further that any moneys in the Bond Fund other than rental payments may be used at the request of the County to redeem a part of the Bonds outstanding on the next succeeding redemption date for which the required notice of redemption may be given so long as the Lessee is not in default with respect to any rental payments under the Lease Agreement and to the extent said moneys are in excess of the amount required for payment of Bonds theretofore matured or called for redemption and past due interest in all cases where such Bonds or coupons have not been presented for payment.

SECTION 505. Custody of the Bond Fund. The Bond Fund shall be in the custody of the Trustee but in the name of the County and the County hereby authorizes and directs the Trustee to withdraw sufficient funds from the Bond Fund to pay principal of and interest and premium, if any, on the Bonds as the same become due and payable and to make said funds so withdrawn available to the Trustee and to the paying agent or agents for the purpose of paying said principal and interest, and premium, if any, which authorization and direction the Trustee hereby accepts.

SECTION 506. Non-presentment of Bonds or Coupons. In the event any Bonds shall not be presented for payment when the principal thereof becomes due, either at maturity or at the date fixed for redemption thereof or otherwise, or in the event any coupon shall not be presented for payment at the due date thereof, if funds sufficient to pay such Bonds or coupons shall have been made available to the Trustee for the benefit of the holder or holders thereof, all liability of the County to the holder thereof for the payment of such Bond or coupon, as the case may be, shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the holder of such Bond, or the bearer of such coupon, as the case may be, who shall thereafter be restricted exclusively to such fund or funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond or coupon.

SECTION 507. Trustee's and Paying Agents' Fees, Charges and Expenses. Pursuant to the provisions of the Lease Agreement, the Lessee has agreed to pay the Trustee, until the principal of, interest and premium, if any, on the Bonds shall have been fully paid: (i) an amount equal to the annual fee of the Trustee for the Ordinary Services of the Trustee rendered, as trustee, and its Ordinary Expenses incurred, as trustee, under this Indenture, as and when the same becomes due, (ii) the reasonable fees and charges of the Trustee, as Bond Registrar and paying agent, and any paying agents for acting as paying agent as and when the same become due, and (iii) the reasonable fees and charges for the necessary Extraordinary Services and Extraordinary Expenses of the Trustee under this Indenture, as and when the same become due. It is further understood and agreed that the initial or

acceptance fees of the Trustee and the fees, charges and expenses of the Trustee and paying agent referred to in the first sentence which become due prior to the Completion Date (as defined in the Lease Agreement) will be paid to the Trustee from the Construction Fund as and when the same shall become due. The Lessee may, without creating a default hereunder, contest in good faith the necessity for any such Extraordinary Services and Extraordinary Expenses and the reasonableness of any of the fees, charges or expenses referred to herein.

SECTION 508. Moneys to Be Held in Trust. All moneys required to be deposited with or paid to the Trustee for account of the Bond Fund or the Construction Fund under any provision of this Indenture shall be held by the Trustee in trust, and except for moneys deposited with or paid to the Trustee for the redemption of Bonds, notice of the redemption of which has been duly given, shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien hereof.

SECTION 509. Insurance and Condemnation Proceeds. Reference is hereby made to Article VII of the Lease Agreement whereunder it is provided that under certain circumstances the net proceeds of insurance and condemnation awards are to be paid to the Trustee and deposited in separate trust accounts and to be disbursed and paid out as therein provided. The Trustee hereby accepts and agrees to perform the duties and obligations as therein specified.

SECTION 510. Repayment to the Lessee from the Bond Fund. Any amounts remaining in the Bond Fund after payment in full of the principal of, interest and premium, if any, on Bonds (or provision for payment thereof as provided in this Indenture), the fees, charges and expenses of the Trustee and any paying

agents and all other amounts required to be paid hereunder shall be paid to the Lessee upon the expiration or sooner termination of the term of the Lease Agreement as provided in Section 13.8 of the Lease Agreement.

ARTICLE VI

The balance of the proceeds of the issuance and delivery of Bonds remaining after the deduction provided by Section 601 hereof shall have been made shall be deposited in the Construction Fund. Moneys in the Construction Fund shall be expended in accordance with the provisions of the Lease Agreement and particularly Section 4.3 thereof.

SECTION 603. Completion of the Project. The completion of the Project and the payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of (i) the certificate of the Authorized Lessee Representative (as defined in the Lease Agreement) required by the provisions of Section 4.5 of the Lease Agreement and (ii) a certificate signed by the Chairman of the County Board and by the Lessee (by one of the authorized officers of the Lessee), which certificate shall state that all obligations and costs in connection with the Project and payable out of the Construction Fund have been paid and discharged except for amounts retained by the Trustee with the approval of the said Authorized Lessee Representative for the payment of costs of the Project not then due and payable as provided in the Lease Agreement. As soon as practicable and in any event after sixty days from the date of the certificate referred to in clause (ii) of the preceding sentence any balance remaining in the Construction Fund (other than the amounts retained by the Trustee referred to in the preceding sentence) shall without further authorization be deposited in the Bond Fund by the Trustee with advice to the County and to the Lessee of such action unless the Lessee shall have directed the Trustee to purchase Bonds in the open market for the purpose of cancellation in accordance with Section 4.3(k) of the Lease Agreement.

ARTICLE VII

Any moneys held as part of the Construction Fund shall, at the written request of and as specified by the Authorized Lessee Representative (as defined in the Lease Agreement), be invested and reinvested by the Trustee in accordance with the provisions

of Section 4.9 of the Lease Agreement. Any such investments shall be held by or under the control of the Trustee and shall be deemed at all times a part of the Construction Fund and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund. SECTION 703. Trustee's Own Bond Department. The Trustee may make any and all investments permitted under Section 701 and Section 702 through its own Bond Department.

ARTICLE VIII

POSSESSION, USE AND PARTIAL RELEASE OF LEASED PROPERTY

SECTION 801. Subordination to Rights of the Lessee.

This Indenture and the rights and privileges hereunder of the Trustee and the holders of the Bonds and bearers of coupons appertaining thereto are specifically made subject and subordinate to the rights and privileges of the Lessee set forth in the Lease Agreement. So long as not otherwise provided in this Indenture the County shall be suffered and permitted to possess, use and enjoy the Mortgaged Property and appurtenances so as to carry out its obligations under the Lease Agreement.

SECTION 802. Release of Leased Land. Reference is made to the provisions of the Lease Agreement, including without limitation Sections 8.5 and 11.3 thereof, whereby the County and the Lessee have reserved the right to withdraw certain portions of the Leased Land (as defined in the Lease Agreement) upon compliance with the terms and conditions of the Lease Agreement. The Trustee shall release from the lien of this Indenture any such land upon compliance with the provisions of the Lease Agreement.

ARTICLE IX

DISCHARGE OF LIEN

SECTION 901. Discharge of Lien of the Indenture. If

the County shall pay or cause to be paid to the holders and owners of the Bonds and bearers of coupons the principal, interest and premium, if any, to become due thereon at the times and in the manner stipulated therein and herein, and shall have paid all fees and expenses of the Trustee and each paying agent, and if the County shall keep, perform and observe all and singular the covenants and promises in the Bonds and in this Indenture expressed as to be kept, performed and observed by it or on its part, or if the issuance of the Bonds is not made within the time provided in Section 4.2 of the Lease Agreement, then these presents and the estate and rights hereby granted shall, at the option of the County, cease, determine and be void, and thereupon the Trustee shall cancel and discharge the lien of this Indenture and execute and deliver to the County such instruments in writing as shall be requisite to satisfy the lien hereof, and re-convey to the County the estate hereby conveyed, and assign and deliver to the County any property at the time subject to the lien of this Indenture which may then be in its possession, except amounts in the Bond Fund required to be paid to the Lessee under Section 510 hereof and except funds held by the Trustee for the payment of principal of, interest and premium, if any, on the Bonds.

Bonds and coupons for the payment or redemption of which moneys shall have been deposited with the Trustee (whether upon or prior to the maturity or the redemption date of such Bonds) shall be deemed to be paid within the meaning of this Article; provided, however, that if such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given or arrangements satisfactory to the Trustee shall have been made for the giving thereof.

ARTICLE X

DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND BONDHOLDERS

SECTION 1001. Defaults; Events of Default. If any of the following events occur, subject to the provisions of Sections 1012 and 1013 hereof, it is hereby defined as and declared to be and to constitute an "event of default":

(a) Default in the due and punctual payment of any interest on any Bond; or

(e) The occurrence of an "event of default" under Section 10.1 of the Lease Agreement arising out of matters referred to in Section 404, 405 and 507 hereof.

The term "default" shall mean default by the County in the performance or observance of any of the covenants, agreements or conditions on its part contained in this Indenture or in the Bonds, exclusive of any period of grace required to constitute a default an "event of default" as in this Article X provided and shall mean the occurrence of an "event of default" under Section 10.1 of the Lease Agreement arising out of matters referred to in Sections 404, 405 and 507 hereof.

SECTION 1002. Acceleration. Upon the occurrence of an event of default the Trustee may, and upon the written request of the holders of not less than twenty-five percent in aggregate principal amount of Bonds then outstanding shall, by notice in writing delivered to the County, declare the principal of all Bonds then outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable.

SECTION 1003. Surrender of Possession of Mortgaged Property; Rights and Duties of Trustee in Possession; Other Remedies. Upon the occurrence of an event of default the County, upon demand of the Trustee, shall forthwith surrender the possession of, and it shall be lawful for the Trustee, by such officer or agent as it may appoint, to take possession of all or any part of the Mortgaged Property together with the books, papers and accounts of the County pertaining thereto, and including the rights and the position of the County under the Lease Agreement, and to hold, operate and manage the same, and from time to time make all needful repairs and improvements as by the Trustee shall be deemed wise; and the Trustee may lease the Project or any part thereof in the name and for account of the County and collect, receive and sequester the rents, revenues, issues, earnings, income, products and profits therefrom, and out of the same and any moneys received from any receiver of any part thereof pay, and/or set up proper reserves for the payment of all proper costs and expenses of so taking, holding and managing the same, including reasonable compensation to the Trustee, its agents and counsel, and any charges of the Trustee hereunder, and any taxes and assessments and other charges prior to the lien of this Indenture which the Trustee may deem it wise to pay, and all expenses of such repairs and improvements, and apply the remainder of the moneys

so received in accordance with the provisions of Section 1008 hereof. Whenever all that is due upon the Bonds shall have been paid and all defaults made good, the Trustee shall surrender possession to the County; the same right of entry, however, to exist upon any subsequent event of default.

While in possession of such property the Trustee shall render annually to the County and the Lessee and also to the Bondholders, at their addresses set forth in the list required by Section 408 hereof and to the holders of all Bonds then registered as to principal (except to bearer) at their addresses shown by the registration books, a summarized statement of income and expenditures in connection therewith.

Upon the occurrence of an event of default the lien on the Project created and vested by this Indenture may be foreclosed either by sale at public outcry or by proceedings in equity and the Trustee or the holder or holders of any of the Bonds then outstanding, whether or not then in default of payment of principal or interest, may become the purchaser at any foreclosure sale if the highest bidder.

Upon the occurrence of an event of default, Trustee shall have the power to proceed with any right or remedy granted by the Constitution and laws of the State of South Carolina, as it may deem best, including any suit, action or special proceeding in equity or at law for the special performance of any covenant or agreement contained herein or for the enforcement of any proper legal or equitable remedy as the Trustee shall deem most effectual to protect the rights aforesaid, insofar as such may be authorized by law, and the right to appointment, as a matter of right and without regard to the sufficiency of the security afforded by the Mortgaged Property, of a receiver for all or any part of

the Mortgaged Property and the earnings, rents and income thereof; the rights here specified are to be cumulative to all other available rights, remedies or powers and shall not exclude any such rights, remedies or powers.

SECTION 1004. Rights of Bondholders. In an event of default shall have occurred, and if requested so to do by the holders of not less than twenty-five per cent in the aggregate principal amount of Bonds then outstanding and if indemnified as provided in Section 1101(1) hereof, the Trustee shall be obliged to exercise such one or more of the rights and powers conferred by this Section and by Section 1003 as the Trustee, being advised by counsel, shall deem most expedient in the interest of the Bondholders.

No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right or power accruing upon any default or event of default shall impair any such right or power or shall be construed to be a waiver of any such default or event of default or acquiescence therein; and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or event of default hereunder, whether by the Trustee or by the Bondholders shall extend to or shall affect any subsequent default or event of default shall impair any rights or remedies consequent thereon.

SECTION 1005. Rights of Bondholders to Direct Proceedings.

Anything in this Indenture to the contrary notwithstanding, the holders of a majority in aggregate principal amount of Bonds then outstanding (determined subject to the provision of Section 1401(e) hereof) shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

SECTION 1006. Appointment of Receivers. Upon the occurrence of an event of default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondholders or the bearers of the coupons under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Mortgaged Property and of the rents, revenues, issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

SECTION 1007. Foreclosure of Indenture. Upon the occurrence of an event of default, to the extent that such right may then lawfully be waived, neither the County, nor anyone claiming through or under it, shall set up, claim, or seek to take advantage of any appraisement, valuation, stay, extension or redemption laws now or hereinafter in force, in order to prevent or hinder the enforcement of the Indenture or the foreclosure of the Indenture, and the County, for itself and all who may claim through or under it, thereby waives, to the extent that it lawfully may

do so, the benefit of all such laws and all right of appraisement and redemption to which it may be entitled under the laws of South Carolina.

SECTION 1008. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, be deposited in the Bond Fund and all moneys in the Bond Fund shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First--To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege; and

Second--To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on any of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if

the amount available shall not be sufficient to pay in full principal of, premium, if any, and interest on the Bonds due on any particular date, then to the payment ratably, according to the amount of the principal, interest, and premium, if any, due on such date, to the persons entitled thereto without any discrimination or privilege.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal, premium, if any, and interest then due and unpaid upon the Bonds, without reference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal, premium, if any, and interest to the persons entitled thereto without discrimination or privilege.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article then, subject to the provisions of paragraph (b) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of paragraph (a) of this Section.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time as the Trustee shall determine, having due regard to the amount of such moneys available for such applica-

tion in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the bearer of any unpaid coupon or the holder of any Bond until such coupon or such Bond and sand all unmatured coupons, if any, appertaining to such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Whenever all principal of, premium, if any, and interest on all Bonds have been paid under the provisions of this Section 1008 and all expenses and charges of the Trustee shall have been paid, any balance remaining in the Bond Fund shall be paid to the Lessee as provided in Section 510 hereof.

SECTION 1009. Remedies Vested in Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds or coupons may be enforced by the Trustee without the possession of any of the bonds or coupons or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds or bearers of coupons, and any recovery of judgment shall be for the equal benefit of the holders of the outstanding Bonds and the bearers of the outstanding coupons.

SECTION 1010. Rights and Remedies of Bondholders. No holder or bearer of any Bond or coupon, as the case may be, shall have any right to institute any suit, action or proceeding in

equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless also a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 1101, or of which by said subsection it is deemed to have notice, nor unless also such default shall have become an event of default and the holders of at least twenty-five per cent in aggregate principal amount of Bonds then outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 1101(1) nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its, his or their own name or names; and such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders or bearers of the Bonds or coupons shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds and the bearers of all coupons then outstanding. Nothing in

this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the payment of the principal of, premium, if any, and interest of any Bond at and after the maturity thereof, or the obligation of the County to pay the principal of, premium, if any, and interest on each of the Bonds issued hereunder to the respective holders thereof and to the bearers of the coupons at the time, place from the source and in the manner in said said Bonds and the coupons expressed.

SECTION 1011. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been adversely, then and in every such case the County and the Trustee shall be restored to their former positions and rights hereunder with respect to the Mortgaged Property herein conveyed, and all rights and remedies and powers of the trustee shall continue as if no such proceedings had been taken.

SECTION 1012. Waivers of Events of Default. The Trustee shall waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds upon the written request of the holders of a majority in aggregate principal amount of all Bonds then outstanding; provided, however, that there shall not be waived (a) any event of default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein, or (b) any default in the payment when due of the interest or premium on any such Bonds unless prior to such waiver or rescission, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such

default shall have occurred on overdue installments of interest or all arrears of payments of principal or premium when due (whether at the stated maturity thereof or upon proceedings for redemption) as the case may be, and all expenses of the Trustee, in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the County, Trustee and Bondholders and bearers of coupons shall be restored to their former positions and rights hereunder respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

SECTION 1013. Notice of Defaults; Opportunity of the County and Lessee to Cure Defaults. Anything herein to the contrary notwithstanding, no default (other than a default under Section 1001(a), Section 1001(b) or Section 1001(c) hereof, to which this Section 1013 shall not be applicable) shall constitute an event of default until actual notice of such default by registered or certified mail shall be given by the Trustee or by the holders of not less than twenty-five per cent of the aggregate principal amounts of Bonds then outstanding to the Lessee and the County, and the County shall have had thirty days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided, however, if said default be such that it cannot be corrected within the applicable period, it shall not constitute an event of default if corrective action is instituted by the Lessee or the County as the case may be, within the applicable period and diligently pursued until the default is corrected.

With regard to any alleged default concerning which notice is given to the Lessee under the provision of this Section 1013, the County hereby grants the Lessee full authority for account of the County to perform any covenant or obligation alleged in said notice to constitute a default, in the name and stead of the County with full power to do any and all things and acts to the same extent that the County could do and perform any such things and acts and with power of substitution.

In the event that the Trustee fails to receive, at least seven days prior to any semi-annual interest payment date, the rental payable by the Lessee under Section 5.3 of the Lease Agreement, the Trustee shall forthwith give notice by telegram, or if telegraphic service is not available then by mail to the Lessee specifying such failure.

SECTION 1014. Powers of Trustee upon Event of Default under Lease Agreement or in Payment of Bonds. If the rents required to be paid under Section 5.3 of the Lease Agreement are not paid at least seven days prior to the semi-annual interest payment date before which such rents are due, or in case of an event of default, as defined in Section 1001 hereof in the payment of principal of, premium, if any, or interest on any Bonds shall occur and be continuing, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of all sums due and unpaid under the Lease Agreement or the Bonds, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against any obligor thereon, and collect in the manner provided by law out of the property of any obligor thereon wherever situated the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of any obligor under the Lease Agreement under the National Bankruptcy Act or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of any such obligor, or in case any other judicial proceedings relative to any obligor under the Lease Agreement, or to the creditors or property of any such obligor, the Trustee, irrespective of whether the principal of the Bonds shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the power vested in it by the Indenture, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount owing and unpaid, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee, its agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad faith) and of the Bondholders allowed in any such judicial proceedings relative to the Lessee or any other obligor under the Lease Agreement or to the creditors or property of the Lessee, or any such other obligor, as the case may be, and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Bondholders and of the Trustee on their behalf; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the Bondholders to make payments to the Trustee and, in the event that the Trustee shall consent to the making of payments directly to the Bondholders, to pay to the Trustee such amount as shall be sufficient to cover

reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad faith.

In case of a default hereunder the Trustee may in its discretion proceed to protect and enforce the rights vested in it by this Indenture, and the Lease Agreement by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any of such rights, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement concise of any power granted in this Indenture, the Lease Agreement or to enforce any other legal or equitable right vested in the Trustee by this Indenture, the Lease Agreement or by law.

ARTICLE XI

THE TRUSTEE

SECTION 1101. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions:

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may be reasonably employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for

the County or the Lessee). The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the authentication certificate of the Trustee endorsed on the Bonds), or for insuring the property conveyed hereby, or for collecting any insurance moneys, or for the validity of the execution by the County of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property conveyed hereby or otherwise as to the maintenance of the security hereof; except that in the event the Trustee enters into possession of a part or all of the property conveyed hereby pursuant to any provision of this Indenture it shall use due diligence in preserving such property; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the County or on the part of the Lessee under the Lease Agreement, except as herein expressly set forth; but the Trustee may require of the County or the Lessee full information and advice as to the performance of the covenants, conditions and agreements aforesaid and as to the condition of the property conveyed hereby. Except as otherwise provided in Section 1003 hereof, the Trustee shall have no obligation to perform any of the duties or obligations of the County, as lessor, under the Lease Agreement.

(c) The Trustee shall not be accountable for the use of the proceeds from the sale of the Bonds disbursed in accordance with the provisions of Sections 4.2 and 4.3 of the Lease Agreement. The Trustee may become the owner of Bonds and coupons secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram, or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and of Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the County Board by its Chairman and attested by its Secretary as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which by said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient,

but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Secretary of the County Board under its seal to the effect that a resolution in the form therein set forth has been adopted by the County Board as conclusive evidence that such resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful default.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except (i) failure by the County to cause to be made any of the payments to the Trustee required to be made by Article V and (ii) failure by the Lessee to make any of the payments to the Trustee required to be made by Section 5.3 of the Lease Agreement, unless the Trustee shall be specifically notified in writing of such default by the County or by the holders of at least twenty-five per cent in aggregate principal amount of all Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee, must, in order to be effective, be delivered at the principal office of the Trustee, and in the absence of such notice so delivered the Trustee may conclusively assume there is no default except as aforesaid.

(h) The Trustee shall not be liable for any debts contracted or for damages to persons or to personal property injured or damages, or for salaries or non-fulfillment of contracts during any period in which it may be in the possession of or managing the Mortgaged Property as in this Indenture provided.

(i) At any and all reasonable times, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect any and all of the Project, including all books, papers and records of the County pertaining to the Project and the Bonds, and to take such memoranda from and in regard thereto as may be desired; subject to the limitations imposed upon such rights of inspection pursuant to Section 8.2 of the Lease Agreement.

(j) The Trustee shall not be required to give any bond or surety in respect to the execution of the said trusts and powers or otherwise in respect to the premises.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals, or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the County to the authenti-

cation of any Bonds, the withdrawal of any cash, the release of any property or the taking of any other action by the Trustee.

(l) Before taking any action hereunder the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful default by reason of any action so taken.

(m) All moneys received by the Trustee or paying agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law or by this Indenture. Neither the Trustee nor paying agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

SECTION 1102. Fees, Charges and Expenses of Trustee.

The Trustee shall be entitled to payment and/or reimbursement for reasonable fees for its Ordinary Services rendered hereunder, and all advances, counsel fees and other Ordinary Expenses reasonably and necessarily made or incurred by the Trustee in connection with such Ordinary Services and, in the event that it should become necessary that the Trustee perform Extraordinary Services, it shall be entitled to reasonable extra compensation therefor, and to reimbursement for reasonable and necessary Extraordinary Expenses in connection therewith; provided, that if such Extraordinary Services or Extraordinary Expenses are occasioned by the neglect or misconduct of the Trustee, it shall not be entitled

to compensation or reimbursement therefor. The Trustee shall be entitled to payment and reimbursement for the Bonds and coupons as hereinabove provided. The Trustee shall have a lien with right of payment prior to payment on account of interest or principal of any Bond upon the Project for the foregoing advances, fees, costs, and expenses incurred.

SECTION 1103. Notice to Bondholders If Default Occurs.

If a default occurs of which the Trustee is by subsection (g) of Section 1101 hereof required to take notice or if notice of default be given as in said subsection (g) provided, then the Trustee shall give such notice to the Lessee and the County as is specified in Section 1013 hereof, and such notice to the Lessee as is specified in Section 10.1 of the Lease Agreement, in order to have such default mature as an event of default upon the passage of the period of time therein specified and shall give written notice thereof by mail to the last known holders or owners of all Bonds then outstanding shown by the list of Bondholders required by the terms of Section 408 hereof to be kept at the office of the Trustee and by the registration books maintained by the Trustee pursuant to Section 208 hereof.

SECTION 1104. Intervention by Trustee. In any judicial proceeding to which the County is a part and which in the opinion of the Trustee and its counsel has a substantial bearing on the interests of owners of the Bonds, the Trustee may intervene on behalf of Bondholders and shall do so if requested in writing by the owners of at least twenty-five per cent in aggregate principal amount of all Bonds then outstanding. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

SECTION 1105. Successor Trustee. Any corporation or association into which the Trust may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 1106. Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to the County, to the Lessee and by registered or certified mail to each registered owner of Bonds then outstanding and to each holder of Bonds as shown by the list of Bondholders required by Section 408 hereof to be kept at the office of the Trustee, and such resignation shall take effect at the end of such thirty days, or upon the earlier appointment of a successor Trustee by the Bondholders or by the County. Such notice to the County and to the Lessee may be served personally or sent by registered mail.

SECTION 1107. Removal of the Trustee. The Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to the Trustee and to the County, and signed by the owners of a majority in aggregate principal amount of all Bonds then outstanding.

SECTION 1108. Appointment of Successor Trustee by the Bondholders; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys in fact, duly authorized; provided, nevertheless, that in case of vacancy the County by an instrument executed and signed by the Chairman of the County Board and attested by the Secretary of the County Board under its seal, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by such Bondholders in the manner above provided; and any such temporary Trustee so appointed by the County shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank organized under the laws of the United States of America or any state thereof and which is in good standing, within or outside the State of South Carolina, having a reported capital and surplus of not less than \$12,000,000 if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

SECTION 1109. Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the County an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance,

shall become dully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the County, or of its successor, and upon payment of all amounts due such predecessor pursuant to Section 1102 hereof, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the County be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing, shall, on request, be executed, acknowledged and delivered by the County. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article shall be filed and/or recorded by the successor Trustee in each recording office where the Indenture shall have been filed and/or recorded.

SECTION 1110. Right of Trustee to Pay Taxes and Other Charges. In case any tax, assessment or governmental or other charge upon any part of the property herein conveyed is not paid as required herein, the Trustee may pay such tax, assessment or governmental or other charge, without prejudice, however, to any rights of the Trustee or the Bondholders hereunder arising in consequence of such failure; and any amount at any time so paid under this Section, with interest thereon from the date of payment at the rate of seven per cent per annum, shall become so much additional indebtedness secured by this Indenture, and

the same shall be given a preference in payment over any of the Bonds, and shall be paid out of the revenues herein pledged to the payment of the Bonds if not otherwise caused to be paid; but the Trustee shall be under no obligation to make any such payment unless it shall have been requested to do so by the holders of at least twenty-five per cent in the aggregate principal amount of all Bonds then outstanding and shall have been provided with adequate funds for the purpose of such payment.

SECTION 1111. Trustee Protected in Relying Upon Resolutions, etc. The resolutions, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

SECTION 1112. Successor Trustee as Trustee of Bond Fund and Construction Fund, Paying Agent and Bond Registrar. In the event of a change in the office of Trustee the predecessor Trustee which has resigned or has been removed shall cease to be trustee of the Bond Fund and the Construction Fund, and paying agent for principal of and interest and premium, if any, on the Bonds and Bond Registrar and the successor Trustee shall become such Trustee, paying agent and Bond Registrar.

SECTION 1113. Trust Estate May Be Vested in Separate or Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of South Carolina) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture of the Lease Agreement,

and in particular in case of the enforcement of either on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the Mortgaged Property, in trust, as herein granted, or take any other which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate or co-trustee. The following provisions of this Section 1113 are adapted to these ends.

In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee (and the Trustee is hereby expressly granted such power), each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

Should any deed, conveyance or instrument in writing from the County be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances, and instruments in writing shall, on request, be executed, acknowledged and delivered by the County. In case any separate trustee or co-trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates,

properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

ARTICLE XII

SUPPLEMENTAL INDENTURES

SECTION 1201. Supplemental Indentures Not Requiring Consent of Bondholders. The County and the Trustee may without the consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental to this Indenture as shall not be inconsistent with the terms and provisions hereof for any one or more of the following purposes:

(a) to cure any ambiguity or formal defect or omission in this Indenture;

(b) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee or either of them;

(c) to subject to the lien and pledge of this Indenture additional revenues, properties or collateral; and

(d) to modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar Federal statute hereafter in effect or under any state Blue Sky Law.

The County and the Trustee shall without the consent of, or notice to, any of the Bondholders enter into an indenture

or indentures supplemental to this Indenture (i) to the extent necessary with respect to the land and interests in land and buildings forming a part of the Project and generally described on Exhibit A attached hereto so as to more precisely identify the same or to substitute or add additional land or interests in land and buildings, (ii) with respect to any changes required to be made in the description of the Mortgaged Property in order to conform with similar changes made in the Lease Agreement as permitted by Section 1301.

SECTION 1202. Supplemental Indentures Requiring Consent of Bondholders. Exclusive of indentures supplemental hereto covered by Section 1201 hereof and subject to the terms and provisions contained in this Section, and not otherwise, the holders of not less than two-thirds in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the County and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the County for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided, however, that nothing in this Section contained shall permit, or be construed as permitting (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate, or extension of the time of payment, of interest on, or reduction of any premium payable on the redemption of, any Bonds, without the consent of the holder of such Bonds, or (b) the creation of any lien (other than any Permitted Encumbrances as defined in the Lease Agreement) prior to or on a parity with

the lien of this Indenture, or (c) a reduction in the aforesaid aggregate principal amount of Bonds the holders of which are required to consent to any such supplemental indenture, without the consent of the holders of all the Bonds at the time outstanding which would be affected by the action to be taken, or (d) the modification of the rights, duties or immunities of the Trustee, without the written consent of the Trustee.

If at any time the County shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be published as shall be requested by the County and in any event one time in a newspaper or financial journal of general circulation published in the City of New York, New York, and shall also cause a similar notice to be mailed, postage prepaid, to all registered Bondholders; provided, however, that no publication of such notice shall be required and notice by mail as aforesaid shall be deemed sufficient notice where all Bonds outstanding are registered. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the corporate trust office of the Trustee for inspection by all Bondholders. If, within sixty days or such longer period as shall be prescribed by the County following the final publication of such notice, the holders of not less than two-thirds in aggregate principal amount of the Bonds outstanding at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no holder of any Bond and no bearer of any coupon shall have any right to object to any of the terms and provisions contained

therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the County from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article XII which affects any rights of the Lessee shall not become effective unless and until the Lessee shall have consented to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture together with a copy of the proposed supplemental indenture to be mailed by certified or registered mail to the Lessee at least fifteen days prior to the proposed date of execution and delivery of any supplemental indenture. The Lessee shall be deemed to have consented to the execution and delivery of any such supplemental indenture if the Trustee does not receive a letter of protest or objection thereto signed by or on behalf of the Lessee on or before 2:30 o'clock P. M., E. S. T., of the fifteenth day after mailing of said notice and a copy of the proposed supplemental indenture. The Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental indenture has been effected in compliance with the provisions of this Article XII.

ARTICLE XIII

AMENDMENT OF LEASE AGREEMENT

SECTION 1301. Amendments, etc., to Lease Agreement Not

Requiring Consent of Bondholders. The County and the Trustee may without the consent of or notice to the Bondholders consent to any amendment, change or modification of the Lease Agreement as may be required (i) by the provisions of the Lease Agreement and this Indenture, (ii) for the purpose of curing any ambiguity or formal defect or omission, (iii) in connection with the lands and interests in land and buildings described in Exhibit A to the Lease Agreement so as to identify more precisely the same or substitute or add additional land or interests in land and buildings, or (iv) in connection with any other change therein which, in the judgment of the Trustee, is not to the prejudice of the Trustee, or materially adverse to the holders of the Bonds.

SECTION 1302. Amendments, etc., to Lease Agreement
Requiring Consent of Bondholders. Except for the amendments, changes or modifications as provided in Section 1301 hereof, neither the County nor the Trustee shall consent to any other amendment, change or modification of the Lease Agreement without notice to and the written approval or consent of the holders of not less than two-thirds in aggregate principal amount of the Bonds at the time outstanding given and procured as in Section 1202 provided. If at any time the County and the Lessee shall request the consent of the Trustee to any such proposed amendment, change or modification of the Lease Agreement, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the corporate trust office of the Trustee for inspection by all Bondholders. If, within sixty days or such longer period as shall be prescribed by the County following the giving of such notice, the holders of not less than two-thirds in aggregate principal amount of the Bonds outstanding at the

time of the execution of such proposed amendment shall have consented to and approved the execution thereof as herein provided, no holder of any Bond and no bearer of any coupon shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the County from consenting to the execution thereof or from taking any action pursuant to the provisions thereof. Upon the execution of any such amendment as in this Section permitted and provided, the Lease Agreement shall be and be deemed to be modified and amended in accordance therewith.

ARTICLE XIV

MISCELLANEOUS

SECTION 1401. Consents, etc., of Bondholders. Any consent, request, direction, approval, waiver, objection or other instrument required by this Indenture to be signed and executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely:

- (a) The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized

by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership such affidavit or certificate shall also constitute sufficient proof of his authority.

(b) The amount of Bonds, transferable by delivery held by any person executing any such request, consent or other instrument or writing as a Bondholder, and the distinguishing numbers of the Bonds held by such person, and the date of his holding the same may be proved by a certificate executed by any trust company, bank, banker, or other depositary (wherever situated), showing that at the date therein mentioned such person had on deposit with such depositary, or exhibited to it, the Bonds therein described, or such facts may be proved by the certificate or affidavit of the person executing such request, consent or other instrument or writing as a Bondholder, if such certificate or affidavit shall be deemed by the Trustee to be satisfactory. The Trustee and the County may conclusively assume that such ownership continues until written notice to the contrary is served upon the Trustee. The fact and the date of execution of any request, consent, or other instrument and the amount and distinguishing numbers of Bonds held by the person so executing such request, consent or other instrument may also be proved in any other manner which the Trustee may deem sufficient. The Trustee may

nevertheless, in its discretion, require further proof in cases where it may deem further proof desirable.

(c) The ownership of registered Bonds shall be proved by the register of such Bonds.

(d) Any request, consent or vote of the holder of any Bond shall bind every future holder of the same Bond and the holder of every Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the County in pursuance of such request, consent or vote.

(e) In determining whether the holders of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned by the County, by the Lessee, or by any other obligor under the Lease Agreement or on the Bonds, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the County, the Lessee, or any other obligor under the Lease Agreement or on the Bonds, shall be disregarded and deemed not to be outstanding for the purpose of any such determination, provided that for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver only Bonds which the Trustee knows to be so owned shall be disregarded. Bonds so owned which have been pledged in good faith may be regarded as outstanding for the purposes of this Section 1401 if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Bonds and that the pledgee is not a person directly or indirectly controlling or controlled by or under common

control with the County or any other obligor under the Lease Agreement or on the Bonds. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

SECTION 1402. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any person or company other than the parties hereto, and the holders of the Bonds and the bearers of coupons appertaining thereto, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained; this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the holders of the Bonds and coupons as herein provided.

SECTION 1403. Severability. If any provision of this Indenture shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any Constitution or statute or rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or sections in this Indenture contained, shall not affect

the remaining portions of this Indenture, or any part thereof.

SECTION 1404. Notices. All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when mailed by registered or certified mail, postage prepaid, or given when dispatched by telegram when telegraphic notice is permitted by express provisions of this Agreement, addressed as follows: if to the County, to the Board of County Commissioners of Spartanburg County, Spartanburg County Courthouse, Spartanburg, South Carolina; if to the Lessee at Butte Knitting Mills, Post Office Box 4088, Spartanburg, South Carolina 29303, Attention: Mr. Lachlan L. The County, the Lessee, and the Trustee may, by notice given to all parties to this Agreement and the Indenture, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent.

SECTION 1405. Trustee as Paying Agent and Registrar. The Trustee is hereby designated and agrees to act as a paying agent and the Bond Registrar for and in respect to the Bonds.

SECTION 1406. Payments Due on Sundays and Holidays. In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for redemption of any Bonds shall be a Sunday or shall be in South Carolina or Alabama a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal (and premium, if any) need not be made on such date in such city but may be made on the next succeeding business day not a Sunday or a legal holiday or a day upon which banking institutions are authorized by law to close with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

SECTION 1407. Counterparts. This Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 1408. Laws Governing Indenture and Situs and Administration of Trust. The effect and meaning of this Indenture and the rights of all parties hereunder shall be governed by, and construed according to, the laws of the State of South Carolina, but it is the intention of the County that the situs of the trust created by this Indenture to be in the state in which is located the corporate trust office of the Trustee from time to time acting under this Indenture.
