I'm signing this petition because this is a big deal. South Carolina SHOULD NOT, have this flag flying high at a government building. Sure some may say "dude it's just a flag, find your chill," but I have no chill. This flag represents a tried (and failed) attempt at creating a seperate nation of segregation and oppression. It's no secret that the state of South Carolina, (really all the southern states), has a VERY problematic past, but the fact that South Carolina especially would fly this DISRESPECTFUL flag, disgusts me to my very core. I wish I could say I'm shocked, but I'm truly not. This flag should be taken down, and Juan, you sir have my utmost respect for taking action and creating this petition.

I'm signing this petition because I agree to change especially if we are now a country of equal rights, freedom and liberty. If so, this should make us want to represent all the meaning of EQUALITY!

I'm signing this petition because despite any southern pride associated with this flag, it still symbolizes so much racism, segregation, and hate within our state. Every year since I was a little girl, my family and I have protested to have this flag taken down. Every Martin Luther King Jr. day, we would march from Zion Baptist Church to the state capitol in the annual King Day at the Dome Rally, protesting with thousands of other people to have this flag taken down. As a young, African American woman, everytime I see that flag hanging from the capitol, it makes me feel hurt, angry, and ashamed. Shouldn't every South Carolinian feel proud when they see our capitol? Shouldn't visitors from other states admire it, not criticize our state for the racism it is still representing? Removing this flag from the capitol would help us move on from our terrible past, and bring all of us, regardless of race, together for our future. Until we do this, our state's progress as a unit will always be halted.
