Mrs. Haley,

I am writing you to see if you can help with solving my unemployability claim through the VA. I have been waiting since 2010 and it is now it appeal where it has been since 2010. I have recently learned that I could have sent in my award letter from the Social Security Administration and I did that. I have Epilepsy and major PTSD from serving in the Army. I have major depression and it is a day to day thing that I deal with. I thank God from my husband, which is also a Veteran from the Army and our kids. I have called and waited to no end. My husband just lost his job and I am hoping that we do not loose our home. I am wanting to get this settled so that I can pay off my home and provide a Christmas for my kids. I would appreciate any assistance that you could be for this situation. Oh My name is Tracy Michelle Cole. I can be reached at my email of: Oturtle2003@gmail.com or by phone 864-641-5232.

Thank you,  
Tracy Cole
