Katherine,  
Sen. Courson asked that I bring to your attention the driving record of an appointee, Charles Pate Jr. , for the Arts Commission. There are a few things (3 failure to pay tickets, a careless driving) on his record which members may see if they review the packet and they could come to light during committee screening (I rarely see that happen). I don't know the details behind them of course. He just wanted to make sure you all were OK with that. Please let me know at your earliest convenience.

Thanks! Olivia
