To whom it may concern,

Dear Mr. Talley,

This letter is in response to the correspondence received by South Carolina Department of Health and Human Services regarding a request for the total reimbursement for paid Medicaid claims for every local education agency (school district) in South Carolina.

Please find, attached, a report identifying the total reimbursement for state fiscal year 2013, identified by the specific school district.

Thank you for your continued support of the South Carolina Health Connections Medicaid Program.

Respectfully,

John R. Supra
Deputy Director and CIO
