Thanks Emily and I do apologize for the communication problem. We will fix it going forward!

Let me know if Molly will want a ride with the Governor's detail to the event tomorrow. She mentioned that to me earlier today.

Swati,

I spoke to Katherine earlier and she stated I should reach out to you. It seems that we may have had some issues with communication between the department and the Governor's Office regarding the events for tomorrow.

If possible, moving forward, can we ensure that Laurie Traywick, copied, is sent any and all meeting requests for Molly a week in advance if possible and that those requests include time and location. We were unaware of the location of the press conference tomorrow until today.

Also, any press advisory or release that may be issued from your office with Molly's name needs to be reviewed by Dino and Ryan, copied, first. We did not, that I am aware of, receive a copy of today's advisory. We did receive a phone call regarding press inquiries. Please continue to refer any legislative matters to me and feel free to copy Betsy Carpentier, copied, and Ryan Brown.

I am happy to discuss any of these items with you at your convenience and certainly want to work to ensure communication is effective and streamlined.

Thank you,  
Emily
